## EDITORIAL

"There is a crowd ahead," I said, "at the public boards."  
"They seem angry," he said.  
(Magicians of Gor)

A warm welcome to the pages of the 76th volume of the NEW VOICE OF GOR !

The amount of newspapers and message boards on Gor is increasing. Rumors say that The Soaring Herlit and the city of Lara are working on their own papers too.

In this issue you'll find over a long chapter about the decline of the false "Southern Trade Alliance" which was a front company of the Vosk league, and also why there are two different "Southern Trade Alliances" on Gor at the moment.

The knowledge section is about locks and lockpicking.

## (OOO) FREQUENTLY ASKED QUESTION

Is the NEW VOICE OF GOR OOO or IC?

This new paper is available IN CHARACTER at message boards in several cities. But it has OOO parts and IC parts which can be identified although many people mix both. We try to keep the two separate.

The NEW VOICE OF GOR can be true or false, propaganda or journalism like on earth. There is no freedom of the press on Gor. Why let the truth get in the way of a good story?!

"Goreans were not always fooled by posts on boards.  
Those who control the public boards, it is said, control the city.  
But I was not sure of this.  
Goreans are not stupid.  
It is difficult to fool them more than once. They tend to remember."  
(Magicians of Gor)

The NEW VOICE OF GOR is looking for correspondents all over Gor.

[OOO] The NEW VOICE OF GOR is now available in the Gor Hub and in Kassau and Victoria too. (See below "About the NEW VOICE OF GOR").

In a world of words, the quill is more powerful than the sword.

## ALL OVER GOR

## WHITE WINDS

The White Caste is now entering a more active phase of recruiting. We have placed signboards at the Gorean Resource Centre and at the Gorean welcome Centre and will later be adding signs at the Hub and other places of high traffic.

Effectively, with regards to roleplay we have, at the moment.... TWO Initiates.

This is unacceptable.

Gor has hundreds of warriors, scribes, physicians thousands of slaves and so on and TWO ACTIVE White Caste?!

For those of you who ARE Initiates, reading this article... if you are asking "Why was I not counted?" Well..... Where WERE you?

We will be training new Initiates and attempting to revive RP now that the fall and winter are here. Over and over people have come to us and said "Wow! I haven't seen an Initiate before!" or "We need an Initiate but there is no-one around."

Some of you are Initiates, but don't come in world much. Some of you have an Initiate alt that you never "run" any more.

The result is.... NO Initiates around in SL Gor.

Recently there was a fascinating Priest-King roleplay that happened in Tabor. I found out about it after the fact. Where were the Initiates? We are the highest most influential caste in all of Gor! We SPEAK for the Priest-Kings and interpret their will... where were we?

Here is the Temple information and landmark. I want to hear from you in the coming days.

## PORT OF VICTORIA LEFT THE FALSE SOUTHERN TRADE ALLIANCE OF THE VOSK LEAGUE!

Tal Members of the STA,

With much thought and consideration, I am quilling this scroll to let all know, that the Port of Victoria will no long be a member of the STA.

Victoria as a trade Port will continue to trade with Ports and Cities as it always has in the past and is the headquarters to the Vock League.

I wish all well and the best with trade for the future.

Administrator of Victoria: Asher Laurent.

CHAPTER VII: THE DECLINE OF THE FALSE SOUTHERN TRADE ALLIANCE

### CHAPTER I: THE BEGINNING

There was only one Southern Trade Alliance in the past. This alliance had been created by the Port of Meqara at the Vosk river. Fina and Turia dominated this alliance because Meqara is only a small port. The City of Landa had been invited to join the STA in the year 10161 contasta Ar.

After a while Turia declared war against Landa for no specific reason in the eight month of the same year. [November 2011]

[16:54:25] Rayah Wrexan (rayah.marenwolf): What would be the demands to end this war before it starts?

[16:54:48] Sherman Easterwood [Praetor of Landa]: "I resolved nothing, I spoke to you and you refused to resolve it. Said I should speak directly to the man who threatened."

[16:55:03] Darius Vayandar [Ubar of Turia]: What will end this war, is Yuroki being arrested and brought to Turian courts to stand trial for his actions.

### CHAPTER II: THE WAR TURIA - LANDA

Second Day of the Eighth Passage Hand in the year of the Priest Kings.

We, the City of Turia, hereby issue a Declaration of WAR against the Port City of Landa.

This is in direct reference in regards to attacks on one of Turia's allies, the City of Rarn, thus directly disrupting the trade route between that of Turia and its ally.

This is a full Declaration of War from the City of Turia to the City of Landa.

Regards,

Administrator of the City of Turia,

Signature: Darius Vayandar

Letter of Rarius Yuroki, Ubar of Landa, to the council members of Landa:

Turia was always hostile to me and Landa without a reason. They attacked us without a reason. We did not react to avoid a war. But now it is enough. We will make Turia a suburb of Landa and call it Troy.

Rarius Yuroki  
Ubar of Landa

Turia attacked the strong walls of Landa several times but they failed. Landa hired mercs from the Voltai mountains and got some warriors and even the Ubar of Turia in chains.

[12:29 PM] Aron Zahm running his free hand over the man's back of the head and he grasps the man's hair with a sudden move. He then draws his hand back along with the man's head without a delay between moves. His hand, which was holding dagger takes it's position in front of the man's throat and he slit's the man's throat with a sudden pressure and drawing move with sharp dagger

[12:29 PM] GM 4.1 shouts: Bounty Silversmith [of Turia] has been killed by aron zahm

Turia did not expect to lose the War but they did. Then Port Meqara which was allie of Landa betrayed us and started to fight against us as well.

Lady Dez, the head scribe of Landa, wrote a letter about this betrayal and the Southern Trade Alliance:

### CHAPTER III: THE SOUTHERN TRADE ALLIANCE - WHAT YOU SHOULD BUT YOU DONT' KNOW

There comes a time when one feels one must speak up, and this time has come for me.

Let me tell you what has made me so upset. So upset that I took the time to pull a scroll and started to write my reasons why I feel this way.

The STA. Yes I am angry about the STA.. The STA was an idea by an egotistical and egocentric maniac who has turned out to be a dictator and terrorist all in one.

It was believed that the STA. Which called itself the Southern Trade Alliance, would be here to protect the trade ways between the cities, since the north was threatening the south.. It was not in any way to tell us how to live who to be allied with and what our rules or laws can be. How that group has turned into such a dictorship, I don't know. Where they get off shouting orders to other cities who they can be allied with and who not, I don't know.. And I have had enough of it.

The trouble started when we asked the STA to help us with obtaining copper from a Rarn and nothing was done.. Rarn would not respond to our wishes to trade.. it seems they were deaf to any requests to Landa. So Landa reacted and instead of the STA helping , considering it is a trade alliance, it expelled Landa from that group by night, with only 3 or 4 cities awake. They pushed it through before anyone else could intervene. Anyone else who would dare stand in the way of them would be crushed or kicked out as well.

Landa was humiliated, accused, urinated on and so forth.. but that's not all.. so let me tell you what happened, if you have not heard it already.

The City of Atria came to Landa and we welcomed them with open arms. We formed an alliance and all was well. Until one day the STA decided that this was not going to happen and they laid fires in Atria with a warning that if they do not dissolve the Alliance, that they would be burned to the ground.

Unfortunately the leaders of Atria caved and the Alliance was severed.. That's too bad because, even though I am a FW, that really upset me and I would have not stood for the terrorist demands. On the contrary, I would have amassed as many of my friends and protected the city ..stood up for what is right and demand an apology for daring to tell us who we can or can not be allied with. Well, too bad. It was heartbreaking to see our friends turn on us.

I have also heard that we have been accused or not fighting fairly or not being honorable and all sorts of things.. So let me tell you this:

Landa is a proud and strong City.. We are honorable and loyal people and we will defend ourselves as we see fit and no one.. and I mean absolutely no one can tell us otherwise. We will never be ordered around by the egomaniac or by the wimps of the STA. WE will, if we have to, stand on our own and do as we have always done. Live honorable and do what is right, protect our people and our friends. We will not pay homage to the STA !

So, having written what I have carried around in my heart for so long, I now feel better.. thank you for reading my article and have a pleasant day..\*smiles  
~Lady Dez

Landa could not be defeated. Fina was member of the Southern Trade alliance and voted Landa out, and Tafa and Meqara did this as well.

Landa made several proposals to try and end the war, but they declined everything.

[14:56] Yuroki Uriza shouts: Landa was here Fina! This is the last warning! LEAVE THE SOUTHERN TRADE ALLIANCE!

Landa attacked Fina several times between the 12th month of the year 10161 and the month of En'kara of the year 10162 and defeated them, but did not take captives.

#### CHAPTER IV: LANDA DECLARES WAR AGAINST ALL CITIES OF THE SOUTHERN TRADE ALLIANCE

Then the high council of Landa made a decision:

Declaration of War against Fina, Sulport, Midas, Port of Meqara, Turia and Thentis

The High Council of Landa declares that a state of war exists between the Cities Of The STA and the Government and the people of Landa Continent are making provisions to prosecute the same. Whereas the Cities Of The STA has committed unprovoked acts of war against the Government and the people of Landa Continent. Therefore be it Resolved by the High Council of Landa assembled. That the state of war between Landa Continent and the Cities Of The STA which has thus been thrust upon Landa Continent is hereby formally declared. The newly appointed Ubar is hereby authorized to employ the entire naval and military forces of Landa Continent and the resources of Landa Continent to carry on war against the Cities Of The STA. To bring the conflict to a successful termination. All of the resources of Landa Continent are hereby pledged by the High Council.

Approved and signed by High Council of Landa on 1st Day, First Hand of Month of Hesius, Year of Ar 10169

Yuroki Uriza, Ubar of Landa

Targa Runner, Commander of Landa

Sherman Easterwood, Praedor of Landa

Lady Dezire Sciarri, Head Scribe of Landa

Lady Judy Beck, Head Physician of Landa

## CHAPTER V: THE GREAT BATTLE OF LANDA

written by lady Dez

Second day of the first hand of the month of Hesius

As I was sorting through the scrolls which threatened to crash my desk, I heard the alarm ring. I stopped and walked to the balcony to see what was happening.. Dark clouds hovered over the dock and upon closer inspections I saw as warriors arrived from not only one but several cities.. I remember seeing Meqara, Thentis, Fina, and Sulport. I squinted my eyes and I believe I saw midas as well, but I could be mistaken.

It did not look at all like a friendly visit, and I feared our Warriors would be badly outnumbered.

I saw grapples being thrown over the walls and the enemies tried to breach the wall. For an ahn Landa's Warriors were able to keep the enemy out of the city, but eventually the wall was breached and they got inside. Some of Landa's fierce fighters left the wall and engaged in hand to hand combat.

I watched in horror as the fighting continued. I knew our men are strong and fierce fighters, but I worried that they might not be able to withstand so many and hold them at bay.

The battle continued for two ahns, but contrary to my fears, Landa stood strong. Many attackers lay bound in the streets of Landa. I stood and watched as it drew to an end. In a show of good faith Landa released it's prisoners and allowed them to return to their city.

Everyone was proud of the way the men defended Landa. After the fighting was over the Free Women ran into the street yelling with joy, as they celebrated the men's successful defense of Landa.

[8 defenders, 18 attackers, 2hrs fighting]

Inscription of the Obelisk of Landa:

THEY HAD NO RIGHT TO WIN. YET THEY DID, AND IN DOING SO THEY CHANGED THE COURSE OF A WAR...EVEN AGAINST THE GREATEST OF ODDS, THERE IS SOMETHING IN THE GOREAN SPIRIT – A MAGIC BLEND OF SKILL, FAITH AND VALOR – THAT CAN LIFT MEN FROM CERTAIN DEFEAT TO INCREDIBLE VICTORY.

DEDICATED TO THE WARRIORS OF LANDA  
WHO DEFEATED THE ALLIED ARMIES OF FINA, SULPORT, TURIA, MIDAS, MEQARA  
AND THENTIS

SECOND DAY OF THE FIRST HAND OF THE MONTH OF HESIOUS 10161

## CHAPTER VI: FOUNDATION OF A NEW AND TRUE SOUTHERN TRADE ALLIANCE

On the month of Camerius of the year 10162 contasta Ar [June 2012] a fairly large number of cities, oasis and villages came together in Landa and established a new trade alliance of Southern Gor.

Citizens of A NEW AND TRUE SOUTHERN TRADE ALLIANCE Join together to form a Magna Carta:

The Citizens of the TRUE SOUTHERN TRADE ALLIANCE, in league. to form a more perfect coalition and to establish Justice, to ensure domestic tranquility, to provide for trade with safe passage, to promote the general well-being and to secure the Blessings of the Priest Kings to ourselves and our posterity and to prescribe and validate this:

We proclaim to work together towards trade support. To unify the south against invaders seen from any entity especially from the North and the Vosk region (as the false Southern Trade Alliance from Meqara is just a front organization of the Vosk League) that disrupts our mutual trade investments within our Ports, Cities and Oasis, for peace and prosperity and the protection of our trade routes.

We the under signed with the seal of our city hereby proclaim:

(In this document the term city refers to City, Oasis, Town, Village or Encampment)

1. The cities will work together towards beneficial trade between member states.
2. An option for military support against cities not within the Southern Trade Alliance of Gor ( Each attack will be decided by member states ).
3. No member city will belong to the Vosk League or Southern Trade Alliance .
4. The Alliance will endeavor to keep the peace and allow trade to flourish.
5. All member states will act at all times within the codes of the castes of each city.
6. Any dispute between cities will be settled in the court of the city which the dispute arose .
7. Any dispute involving a group of cities will be settled in a neutral city with three Legal Scribes making the final decision if the cities cannot agree.
8. Each state will be responsible for their own coin and accept the coin of other cities. Each state will set their own exchange rate.

## CHAPTER VII: THE DECLINE OF THE FALSE SOUTHERN TRADE ALLIANCE

The false Southern Trade Alliance of Port Meqara and Fina was only a front company to intrude the south of Gor and to support Turia which was a marionette of Fina all the time.

The founder of the Vosk League STA is dead [left Gor]. A scout reported that even Fina left the Southern Trade Alliance. There is nothing left except a lonely sign at the walls of Port Meqara, Tafa and Sulport and Port Cos.

## ## GOREAN CITIES

### PORT OF OLNİ

### WARRIORS CELEBRATE FESAT HELD IN THEIR HONOR

By Yummi  
Slave of Olni

The Port of Olni recently held a Warriors' Feast, a series of events intended to honor warriors from cities allied to Olni. The events included an obstacle course, a Men of Steel fight and dinner.

The obstacle course, said to be one of the toughest in Gor, required men to weave through poles, cross a narrow board, jump a wall, cross over poles and more. Contestants were divided into heats of three men, and those who missed components of the course had seconds added to their time as an overall penalty.

Out of all the warriors who competed, the winner of the obstacle course was Slime Beck of Olni with a final time of seven minutes and 58 seconds. Second place went to Bare Wolf, also of Olni, with a time of nine minutes and 29 seconds. Cetan Stoneshield, of Turia, took third place with a time of 10 minutes and 38 seconds.

The next event was the Men of Steel melee fight. Warriors took their places on the sands of the arena, arranged around the wall as they waited for the fight to begin. The rules stated that, once a contestant was downed three times, he was out of the running for the title of "Man of Steel."

The fight was riveting, but in the end, it came down to Kerok Himura, Regent of Rorus, and LDarkSideBHC Resident of Sulport. Finally, the man of Rorus went down for the third time, and LDarkSideBHC Resident was declared the winner.

After the fight, dinner was served, and the menu included roasted tarsk with suls and peppers, roast tubuk, carrots with garlic, celane melon on katch leaves, black bread with honey and chocolate cherry torte, all prepared by the slaves of Olni.

While those present were served and ate, a selection of beautiful slaves took their places on the block. The winners of the events were then able to select girls to keep as their own for the next 24-hours. The men immediately made good use of the girls by commanding them to dance on the tables set up for the feast.

An informal serve contest was also held, and the winner of that was Talender Rose ((deividivadelicious)). As a prize, she received a [L\$500] gift card to Shack.

A good time was obviously had by all, though the festivities were cut short when a runner came asking for help; it seems that the Regent of Rorus and a Free Woman were taken during a raid. Warriors then mustered to go off to battle, proving why an event to honor

such brave men was needed in the first place.

## THE SLAVE'S CORNER

### TESTOSTERONE FEST IN PORT OLNİ

By Teal Razor ~Slave of Siri Emerald Jr Captain of the City of Port Olni

Well, what a time on Saturday past. Warriors from the Allies of Port Olni and the Olni warriors were involved in a competition of stamina and swordsmanship. The prize, for two lucky warriors, was 24 hours with the slave of their choosing from among the lovely kajira of Olni. Despite grumblings about skinned knees and broken fingernails, the men did quite well.

There were two winners from the warriors, Master Slime and Master Darkside. The feast afterward was certainly a feast for the eyes. The foods were served by some of the slaves who came along with their masters and by Olni slaves. Seems like everyone was served and some even became inebriated.....

Despite the plethora of Free Women present, ribald talk was heard up and down the tables. These games should certainly be repeated and all of Olni's allies should beat a path to these events to partake in the festivities afterward, (strong drink, strong talk, and nubile young women).

### SLAVE SPARS WITH WARRIOR ~ BEATS HIS ASS~ BEST OF 27 TRIES

(Names changed to protect the pride of the Warrior)

By Teal Razor ~ Slave of Siri Emerald Jr Captain of the City of Port Olni

A warrior in the town of Port Olni needed a sparring dummy..The little slave volunteered to have her ass whipped although the tables were quickly turned to her utter astonishment.

## RUNAWAY RETURNED, HUH?

By Teal Razor ~ Slave of Siri Emerald Jr Captain of the City of Port Olni

A few days ago the Port Olni jail was the residence for a slave who ran away and then was captured by Master Bare Wolf. Her homestone came and collected her, similar to the pickups made by garbage collections in some cities. She was returned to Olni and submitted to the warrior in question. Although smelling not unlike the aforementioned "garbage", she took a nice hot bath and now has the aroma of a fragrant bouquet of roses. A good time was had by all...

## NOSEY BLANCA LISTENS

by Blanca, slave of House of Yuroki (HoY)

Nosey blanca listens to the thrall and the kajira ... arguing as they do.....

the kajira was on her very way to the crops but really couldn't resist making a minor detour as she noticed the thrall "Ah tal to you" she grinned, leaning on the fence to the tarsk not realizing it was the tarsks "Where you been hiding?"

the thrall crosses his arms smirking at the girl, waiting for her to lean harder on the fence till it breaks under her weight. He is well pleased to know that the work is all but safe. "Where I have been hiding... Well... You haven't heard that I had to keep the bosks in the valley?"

the kajira waved a hand to him dismissively before she leaned up from the fence, shifting to lean her behind towards it as she crossed her arms too "I haven't heard a thing other than that you're in for some trouble" her grinned widened "The Master of Masters have even been looking for you" she lied.

the thrall raises his eyebrows and goes pale. "The Master of Masters... looking for me?" He swallows and tries not to show his concern. "Have you heard what... he wanted me for?"

the kajira nodded, feigns a serious expression "Oh yes, the Master searched all over the

lands. Whatever He wants it must be very very important" she continued nodding. The wood behind her creaking but it didn't seem to catch her attention at all. She was far too busy watching the thrall go all nervous

the thrall approaches the kajira and grabs her thighs, trying to change of strategy. He smiles and caresses her hair gently. "You know you're especially beautiful today"

the kajira watching as he approached her, touching her thighs and hair, her nose wrinkled "I ain't to be bred yet so you can spare the charm -thrall-" she snarls, pushing at him to get him away and in the same time adding more weight on the fence that, with the thrall's poor work, of course broke behind her, sending her toppling backwards into the tarsk pen

the thrall looks at her puzzled for a few seconds as she lands in the mud among the tarks, then bursts into laughter. "Ahahah, you're right, slave. Stay with your fellows. Is the mud of the tarkspen your new perfume ? I'm sure your Master will appreciate it ! Ahahah... Oh, and one last thing. I won't do that work twice : you have broken it, you'll repair it that time. Now, if you will excuse me, I have things to do ! Ahahahah"

the kajira was laying on her back, trying to figure out what in the priest Kings name had just happened, mud in her hair and a curious tarsk sniffing at it, blinking before she darted up on her feet again, not even caring the thrall was laughing at her she spurted to hide behind him, mud and all "Wah! Kill it. Kill it!" she tries pushing him towards the tarsk so he could kill it

the thrall shrugs and takes his stick using it to strike the harmless animal, to force it back inside the paddocks. "Come on babe, the beast is not going to eat you, it's just trying to give you a kiss, ahah ! You must be at its taste !" Saying that, he leans forward and straightens the fence up to prevent the animals to get out, securing it quickly with a bit of rope.

the kajira started now to pat down herself as the thrall was fencing the tarsk once more, looking down at her now muddy self she growls low and the thrall laughing at her. Mocking her fear for the tarsk did not make things better. Grumbling she used both her hands in an attempt to shove him, if he wouldn't fall over the fence he'd hopefully break his temporary construction and stumble through it.

the thrall as he's making a knot to secure the paddock, he feels a pressure on his back and at his turn falls the head first in the mud of the pen. As the tarsks approach to sniffle him, he clenches his fist at the girl and curses her. "May the priest king have you pay for that, shabby slut ! Look at what you have done !"

the kajira blinked as the thrall fell over, head first into the muddy pen, a moment of dead silence she stared at him before she bursted out laughing, almost folding herself double, chipping for air "Now.. now you got something to b.. " she continued giggling madly "...To breed with." Trying to regain her composure she took a deep breath, watching as the thrall waved his fist at her from down the mud "I did you a favor thrall, found you a female your own rank." she grinned as she started to back away slowly

the thrall gets up and pushes furiously the animals in order to pass, then jumps above the fence ready to strangle the girl. He comes back to reason as she is stepping away, wiggling her butt in a provocative way, and wipes his furs and hair covered with mud while he whispers some insults behind her back, loud enough so she can hear "... filthy bitch !"

the kajira froze as she could overhear the hissing from the thrall, turning back slowly with a dark glare at him "What... did... you.. say?" she asked in a low growl, even though she heard it perfectly fine, or well, the last part. Balling her fist she is about to go back and give him a slap in the face but stops, deciding to not get to close and instead spits on the ground before him "The tarsk smells better then you" she comments before turning again to walk away from him

the thrall smiles as she is leaving away. A bitch certainly, but a proud one, and he is forced to admit that he has some admiration and weakness for that kind of girl. Anyway, everything comes in time to whom has enough patience, he will have his revenge. For the moment, he goes to the barn in order to find a bucket to clean his muddy face and hands.

the kajira cursed the thrall while she walked, even though she had a blast watching him fall into the pen, it had been the highlight of her day. Yet she grumbled, going about with her tasks for she did -not- want to meet her Master before she had had a chance to clean herself up. Turning back from a distance she waved her fist at him again just because.

## # TEMOS

Fellow Temosians,

I know that by now you are all used to me writing huge blocks of text that tire you just by looking at them. I won't do that this time, and if this turns out to be larger than I expected, forgive me, its probably the last time I'll be addressing you all in such a manner.

With Temos gone, I feel I have to say some words. Firstly, I want to express GRATITUDE. I want to thank each and everyone of you who have contributed in Temos being what it was. Temos may have now died, but it died an honorable death. The RP taking place in Temos was amongst the best in all of SL Gor. OOC was almost non existent. Well there were times that there was some of that too, but hey, which sim can actually manage to have NONE of that? We are proud to had as close to none as it can get.

So THANK YOU. Thank you for being in Temos. Thank you for keeping the flame alight. Thank you for loving the sim as I had. Thank you ALL for the FUN you offered me. Because it was A PLEASURE roleplaying with you all. It was a pleasure being around you all and it was a pleasure interacting with you all.

Temos is now gone, the build has been dismantled. That breaks my heart and I'm sure it breaks your hearts too. What you need to keep in mind though is that Temos was NOT JUST a build. It was not just the city and the scenery, as much as I was in love with that - Temos was not just that.

Temos was ALL OF US. Temos was the community we formed together, Temos was the fun we had each day, the friendships we made, the IC incidents that had happened and amused us, the strong emotions that every now and then kept emerging since Temos was a place full of skillful roleplayers, and it is my honor to have played amongst you all.

So don't let Temos die in your hearts too, I beg you do not let that happen. Cherish the friendships you made, don't forget each other, and hey, don't forget about me either, I will miss you all, perhaps more every passing day.

Remember, we come to Second Life and spend hours here, for one purpose. To HAVE FUN. But, in the process of doing that, we make friends, we build storylines, we fall in love with scenarios and stories, we get emotional and attached to characters, we connect. It's hard to disconnect, but thats part of the beauty of everything. If there weren't shreds of sadness in our Second Life too, then we would not be able to experience happiness and fun in it as much as we can now.

So my sincere wish to you, is to HAVE FUN. Go out there all over Gor, and show them what kind of roleplayers did Temos have. But most importantly, ENJOY.

Enjoy and be well, always. I love you all.

## INTERVIEW WITH OS, A FORMER WARRIOR FROM TEMOS

Q: Sir Os, a few days ago the city of Temos was destroyed by an unprecedented flood. You were a citizen and Scarlet of this grand city. Can you tell me how you feel at the moment?

A: How do I feel about the loss of my home. Well I'm deeply shocked as is everyone else, who called Temos his home. At least the disaster did not cause any casualties, because we were able to evacuate all citizens and property, when we realized that the flood warnings, which we had received from different sources, substantiated. We also evacuated four prisoners who awaited their trials. From their point of view the flood must have been a blessing since it probably saved their arses. But I'm sure they'll get in conflict with the law again soon, wherever they go.

Q: It is good that there have been no casualties amongst the Temonian citizens, including the prisoners, due to the swift evacuation. What about the Homestone of Temos Sir? I would assume that the most precious object of the city was taken care of too.

A: We removed a lot of stuff from Temos. The Warrior Hall was empty which looked weird, and the same applied to all other official and private buildings. Well and the Homestone of Temos, I'm sure it was taken to a safe place where it will be kept until the city might rise again from its ruins.

Q: What are your plans for the future, Os?

A: I'm homeless which means that I will wander Gor for a while to find a new home. I will not rush since this is the second time in my short life that I lost my home due to a catastrophe. My first homestone Atria suffered Temos' fate earlier this year. Perhaps a mountainous region would be a safer place for me to live in the future. We shall see.

Q: Os, what are you missing most at the moment when you think of Temos?

A: I miss being there guarding and protecting my homestone and those sharing it against our enemies.

Q: Who were the enemies of Temos?

A: During the six moons that I lived in Temos we had plenty of enemies. Woodhaven, Hochburg, Rovere, Eteocles, the City of Ti, Thentis and a few others. When news reached us that the North gathered their hordes to march southwards, we made peace with most of them. Not that we suddenly became friends but it was in our mutual interest to thwart the North's evil plans, which one city couldn't do alone. We knew that they planned to disrupt our trade routes and steal our gold and Free Women. Fortunately our information system worked so well that we always knew what they planned. This may be one reason why they never really attacked, though I would have loved to fill our cells with them.

Q: Tell me about this information system. I assume you were using spies on them, didn't you?

A: I don't think it would be wise if I went into further detail. Although Temos doesn't exist anymore, I still feel committed to protecting my former fellow citizens and all those who

supported our mission, some of them risk their lives every day in order to save us from being overrun by the Northern hordes.

Q: Last question Os, can you tell me three characteristics of a Gorean warrior that matter to you most.

A: Abidance by the codes, loyalty to the homestone and caste respect.

### # SOUTHERN TRADE ALLIANCE

News from the True Southern Trade Alliance of Gor

A confidential meeting of the members of the true Southern Trade Alliance took place in a secret place, protected by three hired members of the Black Caste. The STA had chosen a neutral city because they expected a delegation of Port Victoria, the headquarters of the Vosk league.

The meeting decided the following points about Associates of the Southern Trade Alliance:

- those Associates do not have the right to vote new members in our members out
- those Associates do not have the right to vote about military options or issues
- those Associates do not have the right to vote, if the STa wants to change the Magna Charta.
- the coins and goods of these Associates will be accepted by the members of the STA

- merchants of these Associates will be safe inside the cities or Oases of the STA members.

The assembly voted unanimously to expel the STA member Oasis of Klima.

All other topics are confidential.

#### # HOUSE OF YUROKI COMPANIES (HOY)

#### SEEKING MERCENARIES, AGENTS AND MERCHANTS

The House of HoY is looking to recruit Mercenaries. They will be used to escort Hoy caravans throughout Gor and protect the bank in the city of Olni.

Remuneration is by the 4 Hands ranging from 1 silver to 1 gold depending on the work required .

Merchants are also required to further the interests of the house of hoy remuneration is negotiable.

Agents in other cities are also required .

[Quotes]

Whereas members of the caste of slavers are slavers, not all slavers are members of the caste of slavers. For example, I am not of the slavers, but in Port Kar I am known as Bosk, and he known as many things, among them pirate and slaver. Too, both Marcus and myself were of the warriors, the scarlet caste, and as such were not above taking slaves. Such is not only permitted in the codes, but encouraged by them. "The slave is a joy and a convenience to the warrior."

(Magicians of Gor pg, 315)

## CURRENCY EXCHANGE RATES HOY BANK IN OLN

The base unit of exchange rates are the coins of the city of Ar.

The gold tarn disk of Ar is considered to be the standard by which other cities, such as Ko-Ro-Ba and Port Kar. set the value of their own coinage. It is worth, generally, 10 silver tarsks, but standardization is slight due to the shaving or splitting of the coin as well as faulty scales that contribute to the debasing of the coinage. (pg. 155, Rogue of Gor)

## HOY BANK OF OLNİ

The House of Yuroki Bank is a privately owned company in the Port of Olni in Saleria, licensed by the city. It employs its own bankers, merchants and guards, all of the highest quality.

Specialising in coin production, it is pleased to offer this service to any cities wishing to issue their own coinage. For this it could mint their coins.

It is also interested in opening branches in other cities, working under license from them. It would wish to acquire premises in them to operate from, and would prefer to employ native citizens in the first instance as their staff

Any bank would be able to issue all citizens a starting wallet of coins.

The bank makes records of all transactions, the head merchant and the magistrate would get a copy each and every month.

If the city wished to pay citizens a wage or claim taxes it would not be the decision of the bank, but the bank would cooperate.

The blue caste, the green caste and the metal workers would need make a price list for their services

A CLUMSY SLAVE IN VONDA

(Excerpt)

[05:49] Yuroki Uriza: raises his right hand with the palm facing inward inward to the shoulder, greets in gorean fashion: tal!

[05:51] Fancy Arun turns her gaze to the kind Mistress she adored so much as she says "Greetings Mlstress, i hope your day is pleasing so far" she greets and turns he rhead back to the Master in white

[05:52] Fancy Arun cocks her head with or without garnish Master?" she asks

[05:52] Yuroki Uriza: no garnish slave, but use the proper spices, some more perhaps, i like it spicy because we southern people like to burn our tongue, chuckles

[05:54] Fancy Arun bows her head respectfully, she rises to her feet and walks to the kitchen, she keeps her head lowered a bit even when she walks

[05:55] Fancy Arun approache sthe kitchen she takes a bowl and cleans it with a cloth quickly, she takes box with the mix of spices and adds them to the bowl, she take sbota with kal-da and uncorks it with her teeth as she sniffs the aroma, she grins and pours it to the bowl.. almost to the rim,tha she takes a spoon and mixes everything together and as sh etake sthe bowl into her small hands and

[05:56] Fancy Arun walks back to the man as the evil carpet plays a trick on her again, her feet goes under a gap of the floor and she falls down on her belly as the bowl falls on the white shirt of the visitor ...

[05:59] Yuroki Uriza: he grabs the hair of the slave and throws her backwards roughly... narrows his eyes, his voice turns in an angry tone: well, your sluts need to learn how to serve...and now I see some liquid here, strokes his tunic murmuring

[05:59] Atau Tigerfish stepped out on the deck, larg handsrubbing my bald head., I smild seeing coin, I lovedcoins..I raised an open palm to the rarius and grunte a "Tal strange, I'mAtau, keep of the tavern, a heilsa to El nd smile for the prostrating ra.. .

[06:00] Fancy Arun gets up to her knees she take sthe bowl from the grond as she blinks

and murmurs " not again" feeling the hand of the man tosses her away as she says quickly " i beg your forgiveness Master, its that evil carpet " she says as she moves closer " pelase give me your tunic i will clean it for you Master ":

[06:01] Sahira Shieldmaiden gasps seeing hte man covered in the Kalda now she blinks a couple of times and looks at Rajaa. she holds her hand in front of her mouth not to chuckle as this was serious. she then looks back at the man.

[06:02] Yuroki Uriza: greetings Atao, I am the banker of Olni, was looking for some business here, perhaps fixing a currency exchange rate....detaches the cloak, you did not hit my tunic but the cloak...clean this, i expect this cloak to be white again when i will leave

[06:03] Jensen Reikaz: He nods to the tavernkeep then his voice booms to rajaa "Get a cloth, beast! Get this mess cleaned up, harta!"

[06:03] Fancy Arun turns her head to the Vonda Warrior as she heard the "rrrrr" like only he was calling her, her face turned deep purple as she take sthe cloak from his hands and disupear in kitchen quickly

(...)

[06:04] Fancy Arun takes another bowl and puts some spices inside, she take sthe bota again and pours the kal-da as she swirls it with a spoon, she takes a bowl and puts the cloak to clean it in a bit, she take sthe bowl and returns to the man side watchingcarefully not to fall down again as she kneels by his side and spreads her tights a bit ... extending her hands ofering the bowl .. " i hope it will calm your nerves Master" she says softly

[06:05] Yuroki Uriza: wrinkles his nose: which spices did you use slave? I expect you put some urt tails in it too? smirks

[06:06] Fancy Arun cocks her head " i used a mix of spices from a tavern box Master, i dont know what is inside to be honest " she answered honsetly not really knowing from what were the spices made

[06:08] Yuroki Uriza: turns his head at the slave: who is your owner , clumsy slut?

[06:09] Atau Tigerfish noted the posture and nay so calm demeanor of Killian, this I did note and having known him for so many days, I was waking up quickly ..I watched ra return... and strode into the kitchen to fetch meself a warm roll , the thought of a bank, most intriguing..the last I'd heard of such was in fina...and it was a lively affair...I sat down heavily at the table and ate...taking the small pot of black wine with me..sipping from the metal rim and clearing my mind of the nights paga and mead...I glanced about for zion or one of my girls to show me what we made in the night of fitful sleep I'd had... I watched the deck with some curiosity and listened...seemingly more concerned with my bread and wine.. truth told, my mind was blank and I stared into the abyss

(...)

[06:12] Fancy Arun cocks her head as the man asks the question "I am a city slave " she answers him as she adds "Master"

[06:13] Yuroki Uriza: puts the coin back on the table and crossses his arms smirking again: so it is not possible to get a Kal-da in vonda? casts the slave a sharp look....perhaps i should offer your owner to buy you,,you are in need of some education..

[06:15] Fancy Arun narrows her eyes ready to stick some rude words into her mouth but she bite son her tounge hard as she cocks her head answering him " you would have to put yourself to wait while the other who wishes to own me give their prize Master" she says with the most polite tone she could force herself to speak with as she adds " and still you wont afford to buy me Master" she answers him proudly as she asks" may i please be excused to clean your cloak Master?"

[06:18] Yuroki Uriza: (...)...turns his head: you are dismissed to clean my cloak, the next time i need to carry my own bottles with me if i would be thirsty in Vonda

[06:19] Atau Tigerfish lifted my head as I hear the steps of a girl..I smile, "ali...Odin , it has been a while girl..you've returned to ..." and I stopped before smiling like a big dumb torvie, "returned to me eh?!" I said, puffing up some and admiring my sa tarna roll,

[06:19] Fancy Arun says only " yes Master" as she rises to her feet and walks to the kitchen to take his cloak

[06:21] Fancy Arun takes the white cloak she covered with kal-da and puts it on herself as the idea of cleaning it in the water of fountain came to her mind .. with the cloak on her back she looks at the Tavern Keeper as she peeks outside the kitchen noticing the man busy with buisness, she runs out the kitchen and runs to the fountain to clean the wine from the fabrick

[06:24] Fancy Arun runs around with wet cloak as the best thing to make it dry is the air, she keeps it on herself as she runs around the tavern few times, each time running by the tearoom and through it as quickly as her legs allows her

[06:26] Fancy Arun returns to the guests side finaly as she kneels and take sof the dry cloak as she grins at the man offering it " your cloak Master, clean and dry" she says with a grin as she looks at the Vonda Master with sorry look but her icy blue sparkling eyes

[06:26] Yuroki Uriza: turns his head at the slave besides him: so this is a slave who knows how to prepare kal-da? did you finally find one which is not clumsy? he makes a vague gesture (...)

[06:28] Fancy Arun cocks her head as she knew how to preper kalda, and she knew it is served hot, or room temp, but the man didnt mention the temperature so she brought it the way it was, asked about spices cose if he wont chosoe it spicy she would preper it with juice like it shall be, she shakes her head instead and looks at the Vonda Guard wishing to be by his boot now

[06:28] Yuroki Uriza: grabs the cloak quickly and examines it murmuring something about clusdy slaves and using a slave goad the next time,, welll it seems to be white again,, he binds the cloak around his shoulders shivering because it is still wet a little bit and he is not used the cold

[06:30] Fancy Arun offers the Warrior one of those charming smiles her lips were curling into sometimes as she lowers her gaze to the pillows and grins than to herself

[06:37] Fancy Arun cocks her head listening to the insisting man who came from nowhere and was asking about Vonda coins, she shaked her head and released a soft sight as she

asked, " may i be excused from your services Master, please?"

[06:39] Yuroki Uriza: which service? he turns his head at the slave..did you bring my my kal-da? i would be surprised, i did not expect that

[06:39] Fancy Arun cocks her head " shall i bring it again?" she asks " right away Master" she says as she rises to her feet and goes to the kitchen

[06:41] Fancy Arun takes bota with kalda and clean kettle she pours kalda inside and puts it on big fire to make sure it will be totaly hot, she takes few larma juice and pours some to the bowl than she checks on kalda, when she notices its almost boiling she pours it carefully not to burn herself as she take sthe wooden bowl happy it wont hurt as she caries it, she returns to that Masters side and offers him the drink " i hope you will burn your tounge on that drink Master"

[06:42] Fancy Arun blinks as she corrects herself " i hope you wont burn your tounge on the drink Master, ofocurse " she says with wide smile

[06:43] Fancy Arun listens to the Vonda warriors words as she looks at the bowl with hot wine and places it on the table as she turns to the Master of Vonda and crawls to his feet cudling her cheek to his tight as she looks up with innocent eyes... (...)

## ## ONLINISM OF THE WEEK

"Greetings, Master", I said, and knelt on the paved street, my thighs wide in the position of the pleasure slave.

The slave kneeling to his left spoke. "No hun, you don't kneel like that, okay sweetie? Here, let me show you. Do you need training?"

## ## ABOUT THE NEW VOICE OF GOR

The Landa Times is to become the NEW VOICE OF GOR.

The reasons for this are the former VOICE OF GOR is one of the oldest publications of second life Gor. Many Goreans have come to know it and its editor Verona Lorgsval.

Verona does not longer publish the Voice of Gor which was based in the city of Olni. Her mission statement for the paper was:

"The Voice of Gor is a cross sim Gorean wide newspaper. It is designed to promote and increase Cross Sim Roleplay and communication. The Voice of Gor strives to ensure that all parties are contacted ahead of time; however, occasionally a city will object to what was written. Any city is free to write a rebuttal or send in their own news."

That same note will be used and the same conditions apply. This is especially important at the present time. By the book sims are closing and opening every day the voice of Gor will be just that a voice where people can contribute articles, and ideas how Gor can be improved for the people who play a role within the cities.

THE NEW VOICE OF GOR is available:

for members of the group Cartographers and Explorers of Gor (about 1600 members)

for members of the group BTB Goreans (about 600 members)

for members of the group Alliance of Valkyrie Panthers (about 1100 members)

in the Gor Hub (near the map there)

in the Port of Olni (in front of the HoY bank)

at Port Meqara Point (inside the city)

in Port of Victoria on Vosk (docks)

in the City of Kassau (skybox)

in Tharnock (skybox)

If you want to have a dispenser of the NEW VOICE OF GOR (6 prims, not transfer) on your sim, please contact Yuroki Uriza
