03 BREAKING NEWS: HIGH COMMANDER OF ABYDOS IMPALED BY HIS BLOOD BROTHER

[with compliments by the House of Yuroki Intelligence Agency]

Azerbaijani Grey from Jahesa captured Damien Grey - Abydos High Commander who was his blood brother and impaled him. They gave the body of the commander to a panther and she brought it at Abydos. This hate is burning from long time ago but we all were shocked. How is it possible someone to do something so horrible to his own blood?

04 POISENOUS TA WINE?

by Verona Lorgsval

Rumor has it that Besnit is poisoning it Ta wine. Thought the vintners of Besnit refuse to comment on this travesty, they also don't deny it either. It is highly recommended that you get your Ta wine from some other source. Maybe rose isles vintners.

05 GENESIAN PORT BREAKS FUGITIVE OUT OF PRISON

by Bobtron Brunswick

Raze of Genesian Port was arrested by four armed men of the Prison of Gor for the alleged criminal acts of murder, robbery, not to mention looting and force collaring free women. He was brought to the prison of Gor in binds, after putting up a fight outside his shop in Genesia.

A magistrate by the name of Laiken came with two escorts named Faraday and Owl under the pretense of giving Raze legal advice. The so-called scarlets drew their blades against a prison guard and broke Raze out of jail. Raze is still at large and is possibly being given sanctuary in Genesian Port. If any men or women know the whereabouts of this Raze or can bring him to justice please contact a slaver of the Prison of Gor, located in the southern Voltai mountains.

06 THE SCRIBE SUMMIT

The Scribe Summit is similar to our contribution to the Sardar Fair. It will be a three day event from Friday, April 25th until Sunday, April 27th. Scribes from all over Gor will come together for discussions, debates, classes, and a social event. For more information, contact Lady Pyrie (Catalina Staheli)

ASK TEAL ~ Dubious advice to Goreans
By Teal Razor

DEAR TEAL:

Here is my problem. I have a fast approaching pre-arranged companioning with one of the

my caste; the caste of warriors. I recently witnessed him denouncing his superior and refusing to defend his Home Stone while the city was under attack. His actions have chilled me to the bone. I want to escape the coming ceremony that I have no control over. It seems my mother and father are adamant that this one is a "keeper" and have elaborate plans costing a sack of gold tarns which my family can ill afford to spend. It might ruin my family. Do you have a suggestion?

DEAR LOOKING FOR THE BACK DOOR OUT:

Let us delve into your dilemma. I perceive that you are a free woman since you mentioned an upcoming companioning ceremony and that you are of the honorable warrior's caste. So I am certain you know the codes as any honorable Gorean and would be distraught at someone defecating on them. I can say, as a slave, I would not want a traitor to darken my doorstep and I cast a dim view on the outcome of this event. The worse that can happen is that you will need to stick around and endure his personal shame for a year. Then when the anniversary of your ceremony comes due, you will choose not to renew. Then "you're home free baby!"

Sorry, I forgot you do not know that term. It was effective communication on earth. I have to keep reminding myself that there is a little blue ball out there called earth. A place I have some fond memories of. But, such is life and one must make the best of it.

I am getting off track. Back to the copious piles of gold that will be spent on this catered affair. It seems to matter not if you run from the affair or stay and be a party of the companioning to this spitting image of bosk dung, you probably WILL, if companioned, leave your companion after a year, (that poor excuse for a meat suit) which will cause your parents to lament the day you were born. If you run pre-companioning, your parents would not only regret ever knowing you, they might lose their retirement. Either way your parents lose even though you will come out about even. So let's see what can be done to let your parents back out of this dubious "celebration" with good graces and seem heroic for having done so.

It will be up to you to mount a grass roots campaign to declare your "future companion" unfit. All of Gor needs to know of the "warrior" who defecated on his caste codes. Gor must be warned when this type of mental illness creeps on board. No self-respecting free woman would allow the progeny of this psychotic to exit from her womb let alone enter her womb.

Again, I digress. So, in mounting a crusade, you will be vindicated. Your parents will be proud that you stood up for true caste members where ever they may be, and you will be relieved of the guilt and shame of causing the ruination of your parents.

By the way, if you need a campaign manager, I am available on short notice.

DEAR TEAL:

I am a slave. I used to live in the northern climes of Gor. There, we called our masters, Jarls. We did not have to kneel in the presence of the free. We could walk by them and not be concerned that the free would want a report of who we were and where were we going. We had too much work to do to be kneeling down and relaxing. I was bought by a new Master and he lives in a southern clime. In the new city, I have to kneel constantly in the presence of the free, I have to say Master this and Master that. I am not happy with all this regimentation. I do not want to run away. Do you have a solution for me?

DEAR DEEP IN NOSTALGIA:

You seem to know little about how things are done around here. I appreciate that you come from a land that you have good feelings about. I too know of such feelings myself. Here is what I don't do, though. I don't kneel all the time in the presence of the free. Think about it, if you got on your knees to every free person you passed, even though they may not give a rosy red urts ass as to the reason you are walking around, you would never be able to accomplish tasks.

I do kneel when I am speaking to them or they are speaking to me or if I am serving them. Otherwise a slave does not have to spend their lives on their knees. It is a bad habit in any case and can cause prepatellar bursitis. So if you are cooking, cleaning, and marketing, etc. you obviously, should be on your feet. It is always a good idea to get on your knees when your own Master enters your presence.

I also don't do this. I don't vocalize the sentiments that my previous place of residence was superior to my present city. This kind of talk can lead to a good cuffing or at the very least, being captured and abused. When in Treve, do what the Trevian's do. For example, in Treve, you might see slave's spitting in the pots of food awaiting the free. You see that this slave is not being admonished or punished in anyway and continues to get away with this detestable act. Does this mean you join in and jump over the cliff like the rest of the lemmings. This kind of insubordination spreads like wildfire. It is called anarchy. Turning a blind eye to one infraction will, down the road, leave plenty of space for other noxious practices. Maybe slaves will take up swords against the free and defy their Masters, threatening them with death.

Start practicing saying the word Master or Mistress. It is just a small contribution to stave off certain anarchy. Then practice and perfect a graceful kneel. Make it a game with yourself. Tell yourself to "mean it" when you do kneel. Don't give one of those, "toss back your hair, utter an audible word of disgust at having to do this kneeling thing, and look up into the eyes of the free with a nauseous look and tell them in a sarcastic manner that you would be only too "happy" to comply with whatever they are asking you." Give them a heartfelt kneel and response. Is it too awful to suggest that? You will be surprised at how much candy you will be tossed.

REWARD - DEAD OR ALIVE

A messenger arrived at the HoY headquarters delivering this scroll, sealed and encrypted:

"On Monday night of this week a man with long dark hair, a small short beard around his jaw line and a patch of hair under his chin came to Olni and confronted, if that is a good word, the Ubar of Port Olni as he was leaving the small area after a spar match. The Ubar was talking to his Captain of the guards, Siri Emerald. We found out through his confession that he was from Port Salaria. He wants to kill Yuroki.

He confessed to using a lot of different weapons so I could not vouch for that..He is slender of body and dresses all in black...He usually has a Glaive on that looks like a Q-tip with spikes on the ends encrusting it. I have never seen this glaive and I watch weapons obsessively. It is quite unusual."

The House of Yuroki Companies will pay

TWENTY GOLD TARN

for this man DEAD OR ALIVE.

His name is unknown but the description is very accurate:

ADDENDUM:

[09:20:07] Διμίτρηαερυ Ⓢ SKYTOWERΔιμίτρηαερυ Ⓢ SKYTOWER from the ferry he sailed, toward the destination in hand. Information may have been scarce, but it was information he still hand. Without a word he would pull the small boat along side the larger one, and proceed to clip the nets, climbing from the side fo the ship to the main deck, clear up the mast to the vulture's row. From there he climbed over to the pulley, and then to the top of the building where that opening was. He shimmied himself passed that and then into the office, clinging to the shadows calmly and then headed inside where the man was seemingly sleeping. He had a contract on this man himself, but instead of carrying it out, he would simply place a dagger on the fool's desk, and then leave the wanted poster on the desk jammed into it with a single message to him. "Challenge accepted."

[09:28:26] Διμίτρηαερυ Ⓢ SKYTOWERΔιμίτρηαερυ Ⓢ SKYTOWER once that was done, he would simply head back out the same way he came in, diving off of the side of the building to the water below, and swimming back to his boat, before the beasts became akin to his presence in their dwelling. Once he was secured back in his boat, he would simply sail himself back off toward his next destination further down the vosk.

ROLEPLAY

24 THE FUNERAL OF DAMIEN GREY, HIGH COMMANDER OF ABYDOS

[13:23:27] εyola ΓῆεY (Eyola Resident) she looked to her kids.....then to damien..."you will not be alone my love....nor forgotten....son and daughters of damien....let us send him off....on his last voyage...." with that choked words she whispered...."i love you" and then she placed her torch down to the wood....watching it begin to catch flames....she sobbed and fell back in

some steps holding to the rock for support....the stick dropped into the pyre

[13:24:35] Lemon Lanley: steps back again as the flames arise, she looks at the man beside her, with that practiced eye of many many years working with young people, she felt rather than saw many things

[13:25:01] Αῤῥαδιὺς Γῤῥεϋ (Braego Resident) takes a deep breath and steps forward. to add his torch to the pyre. "Never forgotten" was all he could say – in fact he spoke more today than he did since the day his father died. He steps back to stand next to his family

[13:26:05] Rarius Yuroki (Yuroki Uriza): he did not understand all words, but this must be a funeral of an important man and the people are very sad indeed, he observes the scenery carefully showing respect and decides to keep quiet at the moment

[13:26:15] Kolasis Resident: took a deep breath of her own and held it biting down hard on her lips to seal them.

[13:26:24] Kajsa Γῤῥεϋ (Saskia Haven) adds her stick to the pyre, as silent tears now awash her face, watching her father leave them, in body, but never in spirit,
A partner, a father, a grandfather too,
This is the legacy we have from you.
You taught us love and how to fight,
You gave us strength, you gave us might.
A stronger person would be hard to find,
And in your heart, you were always kind.
You fought for us all in one way or another,
Not just as a partner not just as a father.
For all of us you gave your best,
Now the time has come for you to rest.
So go in peace, you've earned your sleep,
Your love in our hearts, we'll eternally keep...

[13:27:09] Wynn Salomon shouts: I am the caste of the Warriors.. and it is in our codes that the only death fit for a man is that in battle.. I can no longer believe that is true.. For this very man , my brother... died well.. and taught me that all wisdom and truth does not lie in my own codes.." He nodded "Lo Rarius Civitatii Gor"

[13:28:26] Καῤῥα Γῤῥεϋ Salomon (KaraAesaGrey Resident) steps to the burning pyre and tosses her torch at the fire . She smokes and the smell from the burning body dazzled her eyes full with tears ..." we love you daddy , you will be in our hearts always".. she hollow words leave her lips

[13:29:36] Kreon71 Resident looked at the burning corpse feeling the smell of burned flesh the he was familiar with from before. the smell stung his nose but he didn't show any emotions

[13:32:28] Αῤῥαδιὺς Γῤῥεϋ (Braego Resident) stares in the flames. Ignoring the smell of burning flesh he simply stared in the raging flames that slowly start to eat up his father's corpse. He crosses his arms across his chest as if he'd all of a sudden start to freeze even though the heat

of the fire was more than hot on his skin. He didn't step back, not one single step.

[13:33:49] εyολα Γῆεy (Eyola Resident) she had lost her rock now...she was alone....unprotected...she held onto the rock before her...sure the kids had each other, and kara had wynn....and beyond glad that no one had gone in her house....the smell of her love burning, could not measure the pain in her heart....but she didnt move...she didnt look away...

[13:35:24] Καῖα Γῆεy Salomῆη (KaraAesaGrey Resident) feel her companion present next to her she is thankful for his support at this hard moment .Kara watches the flames with empty eyes .. the wind spreads around dusk from the fire .. like in some dream her mind drew the image of her beloved father thrilled for a moment at the flames and she saw for a moment the strong dark silhouette of the brave warrior .. than the wind blow out more disk

[13:36:36] Kolasis Resident: listened to the pop and sizzle. The mesmerizing dance of the sparks scorching minute paths higher and fading into streaks of soot over and over. The flame light gilding her hair and gown with splashes of flickering fire.

[13:38:04] George Bravin (Avi1971 Resident): backed quietly away.. seeking a quiet spot to consider his thoughts of mortality.. and to allow the grieving family their privacy. (...)

[13:50] Αῖçαῖιυç Γῆεy [Braego Resident] turns around to escort the ladies to the inn , he would return later. he stops again to look at the man "His sword brother, Azerbain, killed him" he says and turns around walking down the stairs, even tho he didn't want to be rude, the pain of loosing his father was still too close to talk about it.

[13:51] Rarius Yuroki [Yuroki Uriza]: murmurs: "I know this name, one of my worst enemies"

25 PILGRIMAGE TO THE SARDAR PALISADE

Tal, Pilgrims.

Hear the words of the Priest-Kings as recorded in the Scrolls of Norman:

"On her nineteenth birthday, members of the Caste of Initiates had appeared at the door of the leather worker's hut.

It had been decided that she should now undertake the journey to the Sardar, which, according to the teachings of the Caste of Initiates, is enjoined on every Gorean by the Priest-Kings, an obligation which is to be fulfilled prior to their attaining their twenty-fifth year. If a city does not see that her youth undertake this journey then, according to the teachings of the Initiates, misfortunes may befall the city.The Merchants of Teletus, controlling the city, would demand it of her, fearing the effects of the possible displeasure of the Priest-Kings on their trade. If she did not undertake the journey then, she would be simply, prior to her twenty-fifth birthday, removed from the domain of their authority, placed alone outside their jurisdiction, beyond the protection of their soldiers. Such an exile, commonly for a Gorean, is equivalent to enslavement or death." _Captive of Gor _

"Some six young people, in white garments, passed me. They would stand before the

palisade, paying the homage of their presence to the mysterious denizens of the Sardar, the mysterious Priest-Kings, rulers of Gor. Each young person of Gor is expected, before their twenty-fifth birthday, to make the Pilgrimage to the Sardar, to honor the Priest-Kings. These caravans come from all over known Gor. Most arrive safely. Some are preyed upon by bandits and slavers. More than one beauty who thought to stand upon the platforms by the palisades, lifting laurel wreaths and in white robes, singing the glories of the Priest-Kings, has found herself instead looking upon the snow-capped peaks of the Sardar from the slave platforms, stripped and heavily chained." _Beasts of Gor _ p.47

ONLINEISMS OF THE WEEK

27 SILLY JOKES

Two scarlet caste are hunting in the woods when one is bitten on the ass by a snake. "Ill go into town for a green," the other says. He runs ten miles to a small town and finds the towns only green , who is delivering the ubaras baby . "I cant leave," the green says. ~But heres what to do. Take a knife, cut a little X where the bite is, suck out the poison and spit it on the ground." The scarlet runs back to his friend, who is in agony. ~What did the green say?" the victim asks. "He says you're gonna die."

Two thrall are toiling in the fields when a larl crashes out of the bushes and eyes them hungrily...

The first thralls starts to limber up, stretching and running on the spot

The second thrall gives him a puzzled look and says, "What in the world are you doing?"

He replies, "I figure when the larl gets close to us, we'll jump down and make a run for it."

The second thrall says, "Are you crazy? We both know you can't outrun a full-grown larl."

The first thrall says, "I don't have to outrun the larl, I only have to outrun you!"

28 SCROLLS OF NORMAN

[14:51] Sarah Gartenberg: it's just not realistic John Norman. That would be something like: I yawned. I was Tarl Cabot. I pulled a gag out from my pouch. I shoved it into the girl's mouth. I was Tarl Cabot, gagging the girl. I tied it behind her head. Too, I tied it with a secure knot, so that she could not scream. "One ehn without roleplay," I said. "One ehn without roleplay?" said she. "And I will teleport out," said I. "You will teleport out?" she said. "I will teleport out," I said. I was Tarl Cabot. I collared her.

ABOUT THE NEW VOICE OF GOR

(OOC) FREQUENTLY ASKED QUESTION

Is the NEW VOICE OF GOR OOC or IC?

This newspaper is available IN CHARACTER at message boards in several cities. But it has OOC parts and IC parts which can be identified although many people mix both. We try to keep the two separate. But if you start a storyline based on an IC article of the NEW VOICE OF GOR it would be useful for a moderator to have a log where you have read the message ICly.

The NEW VOICE OF GOR can be true or false, propaganda or journalism like on earth. There is no freedom of the press on Gor. Why let the truth get in the way of a good story?!

"Goreans were not always fooled by posts on boards.
Those who control the public boards, it is said, control the city.
But I was not sure of this.
Goreans are not stupid.
It is difficult to fool them more than once. They tend to remember."
(Magicians of Gor)

Why is "publicare et propagare" the motto of the NEW VOICE OF GOR?

You all know that Goreans use message boards to spread news, announcements and gossip. Such are found at various points in Ar, such as the vicinity of squares and plazas, near markets, and on major streets and avenues.

Books are rare on Gor and expensive. Paper is the essential trade good of the Rencers and they sell their wares on both the eastern and western edges of the Delta of the Vosk river. The NEW VOICE OF GOR is a collection of renece paper scrolls but the editor paid some message boards too to spread the newspaper. Gorean Public Boards sometimes made people angry. Those who control the public boards, it is said, control the city.

We took our motto from the Acta Diurna [latin: Daily Acts sometimes translated as Daily Public Records] on earth. The Acta Diurna were daily official notices in ancient Rome, a sort of daily gazette. They were carved on stone or metal and presented in message boards in public places like the Forum of Rome.

Acta Diurna introduced the expression "publicare et propagare", which means "make public and propagate". This expression was set in the end of the texts and proclaimed a release to both Roman citizens and non-citizens.
