## EDITORIAL

“There is a crowd ahead,” I said, “at the public boards.”

“They seem angry,” he said.

(Magicians of Gor)

As I sit, in my office, and look out over the city, I see many new faces. The city is growing and people are coming daily. With this growth each citizen is working hard in their caste for the benefit of the city. This hard work shows benefits everyday in beauty and welfare of the city.

A city depends upon many to work together and perform the duties of their caste. One should have pride in their caste, high or low, and do their job to the best of their ability.

Both high caste and low caste are important to a city. They bind a city together and make it strong.

Any news, articles, poems, gossip, schedules, paintings, jokes you have, please send them to the editor or co-editor. You are looking for a free companion, a slave, an assassin? Advertisements are very welcome.

## CITY NEWS AND ANNOUNCEMENTS

### - NEWS

#### ANOTHER FREE WOMAN ARRESTED

Another Free Woman was arrested. The charge, though still being investigated and not yet proven, was public drunkenness. The Magistrate has not yet decided if the case will go to trial. Look for additional updates in the Landa Times, as the investigation continues.

-=: Verdict in Case #4282011-2 :=-

COURT OF LANDA  
Case #4282011-2  
Magistrate: Sir Sherman Easterwood

I see no reason for the case of Lady Dryad to be resolved in a court of law. The facts are clear as to the events and a trial is not needed, regarding this matter.

1) On the charge of: Conduct befitting a collar - Repeated public drunkenness or nudity - I find upon this charge, regarding this incident, the Lady Dryad not guilty. There is no clear evidence that the Lady was indeed drunk, when arrested. It is not against the law for a Free Woman to drink alcohol, as long as she does not drink to the point of being drunk and not behaving as is appropriate for a Free Woman. While true that most Free Women do not sit at a table and open their own personal bottle to drink from, it is not against the law to do so.

However, the investigation uncovered acts that if continued could result in Lady Dryad ending up in front of this court again. In fact 2 people interviewed head the Lady, herself seem to admit having a problem with alcohol.

The arresting Warrior, in my opinion, did the Lady a favor. If he had not arrested the Lady, it is the opinion of this court, based on the facts from the investigation, Lady Dryad would have gotten drunk and that could have led to consequences she may not have realized.

I encourage the Lady Dryad to control her drinking and learn from this incident.

Lady Dryad is released and free to enter and leave Landa, as she wishes.

Signed and Sealed This Day 05/14/2011  
Sherman Easterwood  
Magistrate of Landa

### - BANK ROBBERY IN LANDA

The Head Merchant HoY, Gipper, seems to have been involved in the bank robbery in Landa. In addition to his duties as Head Merchant HoY he also was also working, for the bank under contract.

The Magistrate of the City of Landa issued a warrant of arrest against the person of: Sir Gipper.. The Charges are Treason.

After a complete inventory of the bank, we were happy to learn not much was actually taken, regardless of the rumors being spread. The mint didn't have silver or gold on hand. That was the reason why the Head Merchant had been sent to Turia to negotiate a new contract, because the gold and silver always came from there.

Unfortunately, they did manage to steal 2 silver tarsks, 6 silver ingots and a good amount of copper. They also took the drafts of the coins, being produced for Ostia, which had been ordered recently. The gold of the Black Star Traders is of course still there since it is being kept in a hidden place. The big chest in the Mint was only a decoy. No one would be so dumb as to leave an open chest filled with gold standing around in the mint. The Gold from the BST is kept in a safe and secret place.

All locks to the bank, mint, the gate and other city areas have been changed.

The HoY Bank has set a price of 2 gold tarsk (Landa coins, Tyros Coins, Piedmont coins, Tafa coins, Klima coins, Port Jad coins) on the traitors head to be paid to the person who brings Gipper in chains to Landa.

Rarius Yuroki  
Admin of Landa and owner of the HoY Bank

New silver ingots from Turia arrived recently.

## THE LANDA SOCIAL SCENE

### LYRICS

The Brunette Lady Steals Your Heart Away  
by Taunus Trumbo

Books and scrolls and ink stained parchments old  
Oft written palimpsests with words of gold  
Great pearls of wisdom spring from manuscripts  
And come to life from her scholastic lips  
Those lips inviting even as brown eyes  
Whose doe-like earth tones offer as a prize  
A certain sultry softness smiling bright  
Her face ensures that all will come out right  
Calligraphy is hers with cursive script  
Combining art and style with female quip  
Spontaneous her wit is quick and sharp  
But kindly voiced as from an angel's harp  
What lucky city claims this winsome scribe?  
Her beauty teases me with taunting gibe

That chestnut hair enralls the warrior bold  
Those curls of brown are worth more than white gold  
Her radiant countenance outshines the sun  
Her smile will make dark storm clouds run  
The moons of Gor smile down with longing leer  
Constrained they are in orbits far and near  
No way can nature best this Lady Scribe  
Her femininity will rudeness chide  
And turn the angry beast to timid toad  
From must manuscripts the perfect road  
Is found to journey for a quest divine  
To lead me to her world where I might find  
A way to win her hand in ways sublime  
And make a union now and for all time

## KNOWLEDGE

### - THE COLLAR

Slave girls almost never escape. The major reason for this is the steel collar, which, obdurately encircling her neck, read, promptly identifies her master and his city. Almost no one, of course, would think of removing a collar from a girl, unless it would be to replace it with one of his own. (Slave Girl of Gor, 96)

The collar is the last resort of a man who has entered into a war of wits with a woman, and been found half-armed.

"Beware your words," I cautioned her.

"I am a free woman," she said. "I can speak as I please."

I could not gainsay her in this. She was free. She could, accordingly, say what she wished, and without requiring permission.

(Mercenaries of Gor - Page 7)

## ONLINISM OF THE WEEK

The self proclaimed Ubar smiled at the slave as she returned with his blackwine. "Thank

you for that, lass. I shall not forget your kindness". The girl then moved to the slave mats where she knelt with the other slaves. One of the slaves then whispered to the others, "Are we ever going to get any men in here? I am just sick and tired of serving these wimps." Her sis suddenly looked at her , "Watch your voice. Do you want them to make you write "I am a bad slave" 100 times on the chalkboard again?"
