### REFUGEES

Those citizens who have been here a long time may be worried that the recent influx from Besnitt may give rise to problems. I am sure that they will be given a warm welcome, and, as their skills are harnessed to the city, the benefits they bring will be easily appreciated.

The stories they tell are harrowing, ranging from false arrest, attempted rape of FW, murder of prospective slaves and the imposition of arbitrary and tyrannical laws. All this was allowed by a lackadaisical Ubar, an ineffectual Admin, (yes, both), and a tyrannical, so called female 'regent' whose disregard of law is breathtaking.

As they integrate into the city's social structure their energy and initiative will come to be appreciated.

The Bank of Yuroki is a case in point. It has extensive links with eight or nine other cities who agree to exchange coin at par. This renders it easier for visitors and traders who wish to engage in commerce there much easier.

SNEAK RAID  
ADMIN AND MAGISTRATE HURT  
LADY HECATE ATTACKED  
SLAVE STOLEN

Yesterday (Fri) a dastardly raid injured a number of citizens and a slave was stolen. What seems to have happened was this.

A male arrived requesting a tour of the bath. A little later another asked to enter the city and surrendered his bow. As soon as the gate opened he used his hand X-bow and combined with the other to overpower the Admin and his girl, then the magistrate, and finally Lady Hecate.

They then grabbed a slave, cora, and departed.

Luckily they left the others. This suggests they were working to a contract, having left Lady Hecate. One of the miscreants was named 'Dave', claiming to be from Fina, but Yuroki, investigating, could not find out which caste they were. The Admin recognised one as a Sama (Harvey) claiming to be from Red rock but had seen him in Thentis. Dave wore a black kilt and Sama red.

They threatened to rape Lady Hecate if they were not given the keys.

Lady Maxxie remembered a raid on another city she was at that took the same modus operandi. Yuroki quickly formulated a plan and we hope to be able to report a happy outcome soon.

THE LANDA SOCIAL SCENE

## FC DELAYED

Trajan and Lady Starshadow had to delay their FCing today, (Sat) due to unforeseen circumstances. They hope, however, to formalise their union as soon as they have seen the Admin. We wish them well.

## HONOUR IS NOT ONLY A RED'S PREROGATIVE

Bubble of a Soul.

The mighty waves crash overhead. Cruising over smoothed rocks, churning foamy white. The water streams under rotting docks. Glistening in the night. Not a soul could hear her screams. Not a soul could here her soul escape. Tied with a tight Gorean knot, the poor pickpocket perished. Water filled her lungs quickly as she screamed for help.

One might only have noticed the ka-la-na bottles rising to the surface as they loosened, unraveling from her wet hair. Her body, stiff and lifeless now. The fine red robes that once shown such rich crimson sheen, now just ripped, soaked tattered markers of where the woman's body was bound to rest.

Might she not have had such a mouth on her, she would have quickly been impaled. She surely was not deserving of a noble death. But her lying tongue tried save her a few days. Thought she might trade her freedom for her wrongs with stories. Trade lies for life. A plan, plainly not well executed. It took perhaps one moment's glance while the Ubar held her thieving hand for him to size her up. The time allotted her to make her stories up were merely to amuse ....In the end, the story had ended the moment the Ubar addressed the thief. She was dead then.

A bubble pierced the water above where her body was tied at the base of one of the dock's posts. Torn flesh shown on her bare arms and thighs as she herself had been the one to tie herself there, shimmying down to the bottom. The bubble that escaped the water's surface was nothing more than the rebellious soul of an Ubar's daughter, who rather die than dishonor her family name. The girl. The thief. The once high caste lady....Her story will never be told. How she came to the docks..why....simply put...She was lost. The time she had tried to buy was not for her freedom, but more over for her to have the moments to figure out what she was looking for. And once she found it, she no longer needed to live. She wanted release. One bubble, the daughter of an Ubar's soul escaped. Free forever.

The End.

## REGIONAL NEWS

- FREE WOMEN DANCING IN TEVEH

### TOR-TU-LIFE DANCE TROUPE TRIUMPH

On Sunday the TTL Dance Troupe performed their Fire Show at Teveh City. The troupe consists of both kajirae and Free Women, dancing separately. The theme of the show was Fire, interpreted in different ways.

The show was divided into two parts, first the kajirae danced a story of two slavegirls and the ignition of their heat.

Mynx Halostarset the scene..... they had been cooped up in the tents since arriving at the beach; allowed out only for meals and chores but always returned to the tents of their Masters. The day was hot, a dry heat that kept the majority of camp silent and resting. As day became night, thousands of star lit up the cloudless sky like candles flickering in silver reflection along the calm expanse of sea that laid before them, haunting like an abyss, gentle waves lapping against the hulls of mighty warships and against the shore in tranquil sounds.

Soon the Men gathered 'round the fires for drink, merriment in a night of celebration.

Then the FW recited a poem as they danced various aspects of fire.

"Greetings Free and kajiri. I am Lady Vikki, Head Scribe of the House of Yuroki. As a Free Woman, I dance this dance, bearing in mind that the performance is about excellence, technique and control, and not the single sensuality of kajira dancing."

The visual effects were stunning.

After the show the free women chatted as they changed.

Amongst the audience were two ubars, the Admin of Teveh and representatives of five cities.

The ubar of Kassar... Thank you for the lovely performances.

NukeACitrus Resident claps his hands again, smiling as he looks to damb. " I was very fortunate indeed to happen to wander in to town at this time... What a show! " He chuckles slightly, looking back at the dancers

Damb Writer: stands quickly carrying little for my old aches and pains of old age as I use both hand to beat on my chest with a thunderous applause of enjoyment.

## CASTE REPORTS

### RED CASTE

On inspection of the Landa guard I have these points to make:

- New warriors of Landa need to wear the color of the caste - a RED tunic.
- Men wearing a black kilt or black jeans from Earth will not be recognized as warriors of Landa. Ask your local tailor for help if necessary. If you are of the Red, BE a Red.

Rarius Yuroki, commander of Landa

I opened the leather bundle. In it I found the scarlet tunic, sandals and cloak which constitute the normal garb of a member of the Caste of Warriors. (Outlaw of Gor)

## BLUE CASTE

Lady Vikki is Head of Caste, her offices are to be found on the First floor of the Library.

As of this date there have been no raids or other emergencies reported.

The influx of refugees from Besnitt has posed a slight problem in the processing of documents but this is being overcome.

Our excellent library with its extensive selection of scrolls is being recatalogued and we look forward to adding to it as voyagers return home with scrolls they have found on their travels.

We shall shortly be hosting symposia and conferences, as well as training sessions for specific groups.

### - SLAVERHOUSES

#### HOUSE OF YUROKI (HoY) GOREAN SLAVERHOUSE

The House of Yuroki is a privately owned and run Slaver House. The owner is Rarius Yuroki (Yuroki Uriza). That means that it functions separately from any city council and administration. However, our purpose overall is to provide slaves to the cities for use in whatever means are necessary, and to eventually sell those slaves to citizens or if a long period of time goes by without interest and the slave is underused, to the highest gorean bidder at an invitational auction open to goreans from across Gor.

"Whereas members of the caste of slavers are slavers, not all slavers are members of the caste of slavers."

(Magicians of Gor pg 315)

### - BANK OF LANDA

Most cities have a Street of Coins, an area where banking is done. "Sometimes, of course,

certain areas specialize in, or are known for, given types of services or products. Each city usually has, for example, its "Street of Coins." On such a street, or in such an area, its banking will largely be done. Similarly most cities will have their "Street of Brands," on which street, or in which area, one would expect to find the houses of its slavers. (Fighting Slave of Gor)

Landa has its own bank and coins now. The bank is privately owned, but the company got a banking license from the city of Landa, the mint too.

#### - FOREIGN CURRENCY EXCHANGE RATES

The Bank of Landa accepts and converts  
Coins of Port of Victoria  
Coins of Treve (Tarn system)  
Coins of Oasis of Klima  
Coins of Vonda (made by Jarvis Quan)  
Coins of Thentis  
Coins of Port Kar  
Coins of Sais  
City of Turia  
Coins of Tafa Trading Post  
Coins of Besnitt

Fluctuations in exchange rates are possible.

#### . HOY FULFILLS Tafa CONTRACT CONVOY TO SET OUT SOON

As reported last week The Tafa Bank will be refurbished by HoY. 'All is ready to be taken there', says Yuroki, 'We await a Tafa merchant who will collect the dies and prepared coins'. They have been effusive in their praise of the excellence of the sample coins already sent to them.

FLASH \*\*\*\*\* The Admin of Tafa today (Fourth Day of the Waiting Hand in the Year 10162 Contasta Ar ) took possession of a chest of coinage. valued, it is said, at 37 Gold tarsks. Two of his guards struggled to carry the chest to the dock.

#### CITY OF LANDA

#### ONLINISM OF THE WEEK

"The 600th aphorism of the codes from bettergorean.com state," he began. Suddenly the air turned an electric blue. I shielded my eyes, and opened them only a few minutes later.

I looked down. The man had been struck by the blue flame of the Priest Kings.
