## EDITORIAL

"There is a crowd ahead," I said, "at the public boards."  
"They seem angry," he said.  
(Magicians of Gor)

A warm welcome to the pages of the 75th volume of the NEW VOICE OF GOR!

We have new issues of Gorean newspapers. Included in this issue of the NEW VOICE OF GOR:: a new OLNi GAZETTE, a new FOREST PORT CHRONICLE, the new ARCADIAN MESSENGER, the new MEQARA GAZETTE (which has a new editor, lady Helena Sophia Wrexan) and the new STAR OF VONDA.

Besides that we have news from Treve, Temos, Port Cos, Teletus and Ar. You will find the "Vonda Memorial Book" (the Vonda of Jarvis Quan, pictures section, special edition) and a lot of informations about the lower castes of Gor in the knowledge section (special edition).

The NEW VOICE OF GOR is looking for correspondents all over Gor. We are still looking for Panther or Taluna correspondents.

## (OOO) FREQUENTLY ASKED QUESTION

Is the NEW VOICE OF GOR OOO or IC?

This newspaper is available IN CHARACTER at message boards in several cities. But it has OOO parts and IC parts which can be identified although many people mix both. We try to keep the two separate.

The NEW VOICE OF GOR can be true or false, propaganda or journalism like on earth. There is no freedom of the press on Gor. Why let the truth get in the way of a good story?!

"Goreans were not always fooled by posts on boards.  
Those who control the public boards, it is said, control the city.  
But I was not sure of this.  
Goreans are not stupid.  
It is difficult to fool them more than once. They tend to remember."

## ALL OVER GOR

THE WHITE WIND

Third day of the fourth hand of the month of Se'Kara (The Second Turning)

Report on the White Caste and Temples of Gor

The Temple of the Moons in Arcadia prepares to celebrate this island's 4th anniversary (in SL years. First in barbarian years) and will bless the temple, the newly constructed enclosed Temple, sacrifice a bosk and read the omens in its liver and organs.

All across Gor, Temples are preparing for winter. The SeKara has passed and the winter festivals will be held. Fall and winter are times of gathering in, of turning toward the inner things which sustain us.

In the colder months, more time is spent indoors, reading, studying, mending, attending to the inner life of prayer and worship. In such reflections we begin to grasp the great duality of the universe. Dark - Light, inner-outer, winter - summer, and the great Turning of the cycles, of life, of our days, of the years, of Gor.

Those who have had a bountiful harvest, now is the time to bring tribute to the Temples. Out of our bounty we will sustain all who need it in the cold months. In order to do this, a cooperative effort is required. The Temple granaries are large, tightly sealed and safe, proof against rodent and rot. What is stored there will be available in deepest winter to those who have come upon hard times. As the Temple sustains all who turn to her, so all of Gor sustains the Temples. Thus it has ever been and thus it shall endure for all the millennia of Gor. The Priest-Kings watch over us all.

I wish you well in this season of in-gathering.

WAR AMONGST THE CITIES OF THE VOSK LEAGUE?

(Source: Meqara Gazette)

Outraged City Leaders of Victoria have Proclaimed a Ban on Trade with Meqara, and closed their Borders, it was revealed this week.

Following Meqara's Home-stone Ceremony, the gathered populace were summoned to the Great Table by Head Merchant Anvar, to be told that Victoria no longer wished Trade with Meqara amidst accusations of Kidnapping of their Citizens.

This news comes shortly after Victoria's inclusion into the Southern Trade Alliance, which

was itself founded in Meqara by the former Administrator Xavier Wrexan and his Companion Lady Rayah.

Upon hearing this News, it was decided that a Delegation would visit Victoria in hopes of rectifying the matter.

The Administrator, Cahir Eiren, was accompanied by Sir Alec, Lady Helena Sophia Wrexan, and Lady Unhale who accompanied Lady Helena.

Despite the accusations of hostility and kidnapping of Victoria Citizens, Meqara was met by the Citizens of Victoria and Lady Kat, Head Merchant of Victoria who claimed to speak on behalf of the Admin of Victoria.

The Delegation from Meqara were taken to the Office of Lady Kat, who was Guarded by a Warrior in the room, and a Warrior outside the door.

The discussion began with our Admin clarifying his position on the accusations of Victoria that Meqara had been Kidnapping Victoria's Citizens and attempting to coerce them to leave.

When pressed to provide proof of these accusations, Lady Kat was unable to do so.

The accusation stems from the return of Lady Helena Wrexans Sons, Lucius and Xavier, to their Homeland. Both Sir Lucius and Xavier wished to return to Meqara of their own accord.

They were accompanied by their intendeds, Lady Morrigan and Lady Kylie.

At the time of their return home, Sir Xavier was Companioned, yet his Companion shortly fled Meqara and returned to Victoria. It appears this is where the accusations of kidnapping stem from.

It was evidently apparent that Meqara has not, at any time whatsoever, 'Kidnapped' any Citizen from Victoria, and any who have left have done so of their own freewill.

Meqara has not, at any time, forced anyone to leave a Homestone, and indeed would never do so.

The accusations of Meqara's Citizens attempting to persuade Citizens of Victoria to leave remain unproven, however during the course of the Editors investigations it did become apparent that some of the populace of Victoria had themselves actually contacted Citizens of Meqara to complain of their treatment in Victoria.

The Editor herself can attest to being a victim first hand to the foul attitude of Lady Kat, Head Merchant of Victoria, who was both rude, ignorant and demeaning to Lady Helena and Lady Unhale for no reason then as she herself said, 'They are Women.'

Lady Helena and Lady Unhale were escorted back to Meqara by Sir Alec. The Administrator remained in long discussions with Lady Kat, to no avail.

Despite Victoria's demands for Meqara to deny 'Bread, Water and Salt' to those who had left Victoria for Meqara, tHE Administrator refused.

Following the visit to Victoria, a number of their Citizens voiced their own displeasure at being accused of claiming Meqara's Citizens had tried to get them to leave.

MEQUARA, OUR DOCKS ARE CLOSED TO THEM!

by Anonymous

[15:31] Asher Laurent: Walks over to his desk opening the top draw, finding a leather case contenting a parchment document, he slides it under his belt and walks to the docks.

[15:33] Asher Laurent: Ash open the weapons cabinet at the wall picking up a length of rope, he walks over looking at all the flags flying high over Victoria, he stands under the Meqara flag, with a firm grip of the end of the rope, he throws the iron shaft with claws at one end high up into the wall, pulling to see if it is secure, Ash starts to climb up the rope.

[15:34] Asher Laurent: Holding onto the rope with one hand he reaches for his dragger cutting the Meqara flag off the poll, tucking it under his belt, grappling his way back down the rope.

[15:35] Asher Laurent: He walks over to the docks as he starts to shred the Meqara flag with his dagger in bits, he kicks the fabric into the flowing river watching it sail down and out of sight.

[15:37] Asher Laurent shouts: Placing the dagger back in it's holder, as he reaches for the leather case at his belt, he unties it exposing the parchment document to the daylight, his eyes read it over then holding it up for all to see as he shouts...

[15:39] Asher Laurent shouts: "This is the Trade Alliance and Military Alliance document that I signed moons ago over at Meqara with the then Administrator Xavier Wrexan" as he tears the parchment document to pieces watches the air catch it as it flies off, he dusts his hands of it, shouting out...

[15:40] Asher Laurent shouts: "Let it be known that on this day being the, Fifth Day Of The Third Hand Of Se'Kara (30/9/2012), the docks of Victoria are closed to Meqara, any ships that sails here will be turned away, all trade with them is null and void, military is null and void, friendships null and void, any one that sails from Victoria to Meqara is on there own and does it of there own free will"

PORT OF OLNİ

TEMOS "RAIDED" OLNİ AND FAILED

The "RAID" of Port Olni by Temos

by Teal Razor, slave of Siri Emerald Jr.

The massive bell outside the city rang to warn all citizens of impending trouble... Immediately the Warriors of Olni went into action. The warriors included Master Jarek, Master Stride, Master Paul Lee, Master Slime Beck, Rarius Yuroki, Master Arturus, and Paul. The residents were warned of an impending attack. What was unusual about this attack was the fact that it was attempted twice and both the reason for the attack and the state of personal inebriation of the attackers presented a confusing picture to the warriors

trying to sort this out.

It seems the men from Temos, one of which was the Ubar of that city, were in need of an adventure after imbibing much paga. So overcome with the strong drink were they, that they decided to attack not once but twice. The men were captured and searched which surprised our men since two of their men were wearing women's underwear, no doubt taken from their slaves in their apparent dipsomaniacal state.

They were jailed for a time and the bewilderment on the part of our warriors turned to much face palming. Master Jarek of Olni took pity on the drunken carousers and let them free with a warning. The city of Port Olni returned to its normal cadence and our warriors were at least entertained by the crapulence of the men from Temos.

## THE BANKER OF OLNi UNDER ARREST

by Teal Razor, slave of Siri Emerald Jr.

Two warriors of Olni approached the bank in Olni looking for the coin merchant. They passed him a scroll:

### ARREST WARRANT

The Administrator or the Council of the City of Port Olni has authorized the immediate arrest of:

Name: Rarius Yuroki (Yuroki Uriza)

City: Port Olni

The merchant was charged with treason, based on charges deduced after hearing several complaints, regarding his actions during a raid where several rarii are involved.

It seems the merchant, in the past had hired the assassin. He needed the assassin's help once more and the merchant was seen talking to said assassin. The merchant invited the man into the city of Port Olni into the back but once inside the merchant and the assassin were confronted by some of the warriors of the city. They demanded that the assassin take off his weapons and a confrontation ensued. Two soldiers of Port Olni had to subdue and arrest the merchant and said merchant was put in the city jail.

The assassin escaped on his tarn. A brief trial was conducted and it was considered that the warrant for the merchant, Rarius Yuroki, was a misunderstanding. He was released and is a free man.

## THE FAMOUS ARTIST LADY JJ FROM LANDA SETTLED IN OLNi

Lady JJ, the famous artist and painter of sketches, a refugee from landa too, decided to settle in Olni now. The authorities of Olni allowed her to open a store at the place near the bank building.

## TAVERN KEEPER IN OLNİ GOT A DELIVERY OF LANDA PALM WINE

by Teal Razor, slave of Siri Emerald Jr.

A southern merchant ship arrived at the docks recently. The ship was from Landa, an island in the southern Thassa. Thassa was recently destroyed by an earthquake. The ship was loaded down with barrels of the famous palm wine of Landa. A group of refugees from Landa accompanied the wine barrels. These refugees had decided to settle in Olni.

Rarius Yuroki, who had paid the captain of the ship, ordered some workers and slaves at the docks, to get the weighty barrels from the heavily laden boat to the docks. Some of the slaves were clumsy and one barrel was almost lost into the Olni River. When the tavern keeper of Port Olni arrived in town, he received four palm wine barrels as a gift from Landa.

## TELETUS

### TELETUS WARRIOR RUN

by Anjali Cazalet

Welcome to the Teletus Warrior Run™.

I started the run back in 2008 as a fun means of training our allies on the rough terrain of Teletus. Now, it's meant to test your mettle, your patience, and your funny bone. Not the easiest thing to do, running around like a duck with a sword in hand, chasing after dozens of ladies a leaping over hill and dale.

First thing's first: Have fun.

No matter what comes along, don't be a spoil sport & get upset over some little or a perceived slight.

The object is to have fun and ignore the bogus.

Brush off the dust, get up and catch them wimmen.

So here's the object. To catch as many women as you can, 1 @ a time. Bring them back to your cage w/out another man taking you down and stealing your catch. Once you reach the Arena you're free and clear. (No loitering around the arena to catch the incoming either!)

Ladies get roughly a 30 second head start.

1. No AOs are allowed (hud or viewer). inc. swim huds.
2. No minimap or radar (You may stop and cam about)
3. Only on the one Teletus sim (set your property lines - ctrl alt shft P)
4. You may not RESET your meter unless told to do so. (If a problem arises ask & we might say yes)
5. No randomly attacking other hunters. There MUST be a captive present. (only when stealing)  
[If a woman is down, in a bubble, in binds, or being dragged on a leash THEN you may attack the man or men that are fighting over her.]
6. DODGE ONLY (No shields. Please remove them to prevent accidents)
7. Men, when you're down wait out the full time (no resets)
8. No need to rp binds. No binding hunters, no aiding please.
9. No using the space bar in jumping.
10. No hunting/hiding inside any buildings or inside the walled village. It will be blocked off.

You can:

Jump, run with leash, fight with leash, cam around (get the builders glass out), have fun, and laugh.

This is OOC. IF, your captive(s) wish to offer you something for capping them, make the arrangements with them for the best time to collect.

Come early if you do not know the landscape. There are many tunnels, caves and rocks to hide in. All are welcome. Free, Slave, Whatnots.

# AR

THE HOUSE OF YUROKI BANK IN OLN I GOT THE ORDER TO MINT COINS FOR AR!

We feel honoured! The job will be done as soon as possible.

[Quote]

The gold tarn disk of Ar is considered to be the standard by which other cities, such as Ko-Ro-Ba and Port Kar. set the value of their own coinage. It is worth, generally, 10 silver tarsks, but standardization is slight due to the shaving or splitting of the coin as well as faulty scales that contribute to the debasing of the coinage. (pg. 155, Rogue of Gor)

# TEMOS

The wind and water lash at the isle of Cos, battering the city of Temos. Flooding begins and slowly the city is immersed by the cruel waters.

Dear Temosians,

I regret to tell you that Temos is closing. Perhaps one day it will resurrect...we shall see.

I have enjoyed every moment of time with all of you and I have to once again acknowledge those who have been the heart and soul of the city. You know who you are....Thank you

for everything.

The warmest of regards and affection to all . I shall still be around..rping my escape from the floods. Just not as much.

Whereas members of the caste of slavers are slavers, not all slavers are members of the caste of slavers. For example, I am not of the slavers, but in Port Kar I am known as Bosk, and he known as many things, among them pirate and slaver. Too, both Marcus and myself were of the warriors, the scarlet caste, and as such were not above taking slaves. Such is not only permitted in the codes, but encouraged by them. "The slave is a joy and a convenience to the warrior."

The House of Yuroki Bank is a privately owned company in the Port of Olni in Saleria, licensed by the city. It employs its own bankers, merchants and guards, all of the highest quality.

Specialising in coin production, it is pleased to offer this service to any cities wishing to issue their own coinage. For this it could mint their coins.

It is also interested in opening branches in other cities, working under license from them. It would wish to acquire premises in them to operate from, and would prefer to employ native citizens in the first instance as their staff

Any bank would be able to issue all citizens a starting wallet of coins.

The bank makes records of all transactions, the head merchant and the magistrate would get a copy each and every month.

If the city wished to pay citizens a wage or claim taxes it would not be the decision of the bank, but the bank would cooperate.

The blue caste, the green caste and the metal workers would need make a price list for their services

## ## KNOWLEDGE

### BEAUTY PRODUCTS AND PERFUMES OF THE GOREAN FREE WOMAN

[HOY LIBRARY]

“Upswept hairdos are usually reserved for free women, or high slaves. They are a mark of status.”

~Dancer of Gor, page 112~

"Her toenails were not painted, of course. Such is almost unheard of among Gorean free women and is rare even among slaves. The usual Gorean position on the matter is that toenails and fingernails are not, say, red by nature and thus should not be made to appear as if they were. They also tend to frown upon the dyeing of hair.”

~Vagabonds of Gor, page 186~

"In the room, which now had no occupant, I saw an open wardrobe closet, some chests of silks, a silken divan of immense size, several choice rugs and cushions about, and a sunken bath to one side.

It might have been the private compartment of a lady of High Caste.”

~Assassin of Gor, page 117~

"I knelt on the tiles. It was warm outside, but cool inside, in the shade. I smelled the perfumes of the shop, many of which were being blended by hand from signature recipes in the back of the shop. Signature recipes are unique, and secret. They are the result of a perfumer's consultations and experiments, the outcome of an effort to devise the perfect perfume for a given woman, though perhaps relativized to a time of day and mood. A wealthy woman may have as many as ten or fifteen signature recipes, each different. They are called signature recipes not only because they are individualized to a given woman but because the recipe bears the perfumer's signature, indicating that he accepts it as a perfume worthy of his house. These recipes, interestingly, are kept on file in the perfumer's strong boxes. The ingredients and processing remain the secrets of the perfumer. There are also, of course, perfumes associated with a given house, which may be purchased by more than one woman. These recipes are sometimes, by an extension of usage, also called signature recipes. They are, at any rate, supposedly unique to given houses. Also, of course, there are hundreds of more standard perfumes. The preparation of which is widely understood by the perfumers of many cities. Slave perfumes, of course, are an entirely different area. These are usually heavier scents, and more sensual, than those used by free women, scents more fitting to a woman who must obey, and perfectly. There are hundreds of slave perfumes, as there are hundreds of perfumes for free women. The perfumes of Gor, as those of Earth have not, have given special attention to the development of perfumes for slaves. There is thus, on Gor, a subtle and complex variety of slave perfumes available, exciting, provocative, sensuous and unmistakable. There are perfumes for the slave in any woman on Gor. Sometimes, though this is more expensive, a girl is brought in to the perfumers by her master for a consultation; the perfumer then questions the girl, orders her about, and may even caress her; then, in the light of her background and history, and intellectual and physiological nature, he recommends a

perfume, or blend of perfumes, for her; this perfume, or blend of perfume, is thus, in its way, matched to her unique beauty and bondage. Most slave girls, however, feel that an individualized perfume is not necessary. Too, they often wish to use a variety of perfumes, depending on various factors, such as the time of day and their own moods, and those of the master. Too, many girls are stimulated by wearing a perfume that they know, like the collar and the brand, is common to many slaves. It can make them feel their bondage even more deeply and sensuously. "

~Fighting Slave of Gor, pages 212 ~

"I smelled verminium oil.

The petals of verminium, the "Desert Verminium," purplish, as opposed to the "Thentis Veninium," bluish, which flower grows at the edge of the Tahari, gathered in shallow baskets and carried to a still, are boiled in water. The vapor which boils off is condensed into oil. This oil is used to perfume water. This water is not drunk but is used in middle and upper-class homes to rinse the eating hand, before and after the evening meal."

~Tribesmen of Gor, page 50~

"The commercial value of long hair might also be mentioned. Aside from the obvious fact that it might improve the price of a girl in her sale or resale, it can also be sheared and sold. Free women sometimes buy hair for wigs or falls."

~Blood Brothers of Gor, page 245~

"The piercing of the ears is far more terrible...Nose rings are nothing. They are even pretty. In the south even the free women of the Wagon Peoples wear nose rings."

~Captive of Gor, page 166~

"The room was a large one, and extremely colorful. The floor was of glossy, scarlet tiles. The walls, too, were tiled, and glossy, and covered with bold, swirling designs, largely worked out in yellow and black tiles. At one point there was a large, scarlet pelt on the floor. Against some of the walls there were chests, heavy chests, which opened from the top. There were mirrors, too, here and there, and one was behind something like a low vanity. I also saw a small, low table. It was near the couch. There were also, mostly near the walls, some cushions about. To one side there was a large, sunken basin. This was, perhaps, I thought, a tub. There was no water in it, however, and no visible faucets."

~Kajira of Gor, page 37~

"In the oasis towns of the Tahari, and in the vicinity of the great desert, sometimes even free women are belled, and wear ankle chains, as well that the length of their stride may be measured and made beautiful, and perhaps, too, to remind them, even though they be free, that they are but women."

~Vagabonds of Gor, page 21~

## ## ONLINISM OF THE WEEK

### QUOTE FROM A PROFILE:

- 1) if your title advertises your a Master, you probably are not
- 2) btb players who have no collaring in their limits are disney
- 3) long drawn out serves are not btb, get the damn drink and serve it

- 4) pararoleplay has its place, its not in active roleplay involving 3 or more people
- 5) if no one but you can punish your slave you are a foolish boy
- 6) to say you are Gorean is utter foolishness since we are raised with a distinct set of values that are decidedly ungorean
- 7) limits are just that, a limitation you place on your active imagination
- 8) too many people treat a collar as a trinket to throw away when the next pretty girl or handsome man shows the other a little attention
- 9) Free companionship in sl Gor is a joke

## ## ABOUT THE NEW VOICE OF GOR

The Landa Times is to become the NEW VOICE OF GOR.

The reasons for this are the former VOICE OF GOR is one of the oldest publications of second life Gor. Many Goreans have come to know it and its editor Verona Lorgsval.

Verona does not longer publish the Voice of Gor which was based in the city of Olni. Her mission statement for the paper was:

"The Voice of Gor is a cross sim Gorean wide newspaper. It is designed to promote and increase Cross Sim Roleplay and communication. The Voice of Gor strives to ensure that all parties are contacted ahead of time; however, occasionally a city will object to what was written. Any city is free to write a rebuttal or send in their own news."

That same note will be used and the same conditions apply. This is especially important at the present time. By the book sims are closing and opening every day the voice of Gor will be just that a voice where people can contribute articles, and ideas how Gor can be improved for the people who play a role within the cities.

THE NEW VOICE OF GOR is available:

for members of the group Cartographers and Explorers of Gor (about 1600 members)  
for members of the group BTB Goreans (about 600 members)  
for members of the group Alliance of Valkyrie Panthers (about 1100 members)
