EDITORIAL

"There is a crowd ahead," I said, "at the public boards."
"They seem angry," he said.
(Magicians of Gor)

A warm welcome to the pages of the 80th volume of the NEW VOICE OF GOR !

The vast majority of Goreans pray to the priest kings. Yet very few goreans have seen one or even a painting of one.

This belief is even more remarkable as there are no representations of the priestkings.

Agents of priest kings on Gor have never seen a real priestking, a lot of people have seen Kur but do not associate them with being gods.

Yet the struggle between two all powerful god like creatures takes place and the human creatures allie themselves with one or the other.

As a gorean which side will you support in the battle for the world of Gor?

The NEW VOICE OF GOR is looking for correspondents all over Gor.

(OOO) FREQUENTLY ASKED QUESTION

Is the NEW VOICE OF GOR OOO or IC?

This new paper is available IN CHARACTER at message boards in several cities. But it has OOO parts and IC parts which can be identified although many people mix both. We try to keep the two separate. But if you start a storyline based on an IC article of the NEW VOICE OF GOR it would be useful for a moderator to have a log where you have read the message ICly.

The NEW VOICE OF GOR can be true or false, propaganda or journalism like on earth. There is no freedom of the press on Gor. Why let the truth get in the way of a good story?!

"Goreans were not always fooled by posts on boards.
Those who control the public boards, it is said, control the city.
But I was not sure of this.
Goreans are not stupid.
It is difficult to fool them more than once. They tend to remember."
(Magicians of Gor)

ALL OVER GOR

WHITE CASTE REPORT

Rental has again been paid for the advertising boards at the GRC, The Welcome Centre in Sardar and other places for signboards placed guiding people to us. New Initiates are coming to us and progress is being made in the effort to revive the White caste in Gor.

Great Sardar Temple: Supplies are laid in, the Temple is secure against the icy blasts of Winter. Blessed Terek welcomes a new Initiate to our roster: Blessed Haalan, who is posted to the Olni Temple. Blessed Omnos Serenus has been trained as the Temple Librarian and will fill this post until he is given a Temple assignment.

Landa Temple still stands empty. We are seeking someone to fill that position.

Kassau Temple: Blessed EleVenthe reports that the Temple was visited recently by Blessed Haalan. He welcomes the assistance of the new Initiate.

Arcadia Temple of the Moons:

Temple of Ar: No news from that region. They have put out a call for Initiates and we are moving to supply them with one as soon as we are able to. Blessed Doraesus may return to the region to apply there for the position.

Temple of Tabor: No news from that region.

Temple of Olni: Blessed Haalan has arrived safely and has taken up the reins of that administration. He has already sent word of his activities and we are well pleased.

Initiates:

Blessed Taltos has been given permission to leave his bed and is learning to use a strange device, a chair, wheeled in such a way that he is able to propel himself about with his hands and arms rather than his injured legs and feet. He is making a slow recovery from the earthquake that struck the former Sardar Temple and laid it ruin. We congratulate him on his slow but steady progress.

Blessed Doraesus Aurelius has not reported back nor sent any word of his progress. Due to the extremely bad roads between Temples, it is expected that he will be some little while in returning word.

Facilitator Quintius has returned from Kassau and is again resident at the Great Sardar Temple.

Blessed Edred is returned from his visit to Arcadia and is returned to work with the choir in the Great Temple.

PETITION TO THE UBAR OF OLNi

We wish you to consider to dissolve the alliance with XXX.

XXX has now declared war for no apparent reason against Kassau, the HoY companies trade with wood and timber from Kassau. and are a major trading partner.

XXX declared war for no reason against XXX in the past when I was administrator there. I will never trade with XXX for this reason.

XXX never helped Olni against XXX and XXX.

XXX is several thousand pasangs away, an alliance is not reasonable and does not have any advantages for Saleria.

The former administrator of Vonda, the allie of Olni, is now in XXX, and XXX is an enemy of XXX for ages. Olni would be in a better position if they stay neutral or cooperate with XXX instead of XXX.

The Vosk league with its headquarters in Victoria and all oasis of the Tahari (except XXX) boycotts XXX. It is more useful for Saleria to trade with the Vosk League.

These are the reasons we wish you to review this alliance with a dishonorable city. As always we trust your judgement in this matter.

I am your loyal citizen

NEW HOY WAREHOUSE ON THE OUTSKIRTS OF OLNI

by lady Wendie

The opening of the new House of Hoy warehouse in Olni shores was held yesterday.

The event was a little disappointing in the poor turn out from the residents of Olni. However it was a pleasure to see the Urbara there. Maybe the cold weather kept them to their furs.

The food and drink flowed like water and the gift of coins were well received by the attendees from other cities of Gor and from Torvaldsland.

THE SLAVE'S CORNER

NEW SLAVE AUCTION BLOCK IN PORT OLNi

By Teal Razor ~ Slave of Siri Emerald, Captain of Olni Guards

Well.. I must say, if you have not seen the new festive slave auction tent in Port Olni, located between the Bank and the kennels, you are missing a treat. If you are due to be

put on the block to be sold, you could not choose a nicer spot to hang from your wrists. The tent is a fashion statement in itself. The opaque tent covering will let the sunlight in to display your female or male attributes to their finest. The highly decorative tent poles remind one of market stalls in the Tahari. Adding to this celebratory building there are merry flags waving in the breeze, a podium for the slaver and two brand new cages for the containment of the properties to be sold. I would suggest, if you found yourself in a position to be sold here, that you wear red since that color will go nicely with the beige overall color scheme and the black cages...

SNOW IN PORT OLNİ

By Teal Razor ~ Slave of Siri Emerald, Captain of Olni Guards

Peeking out from under the furs on Saturday in Port Olni I was distressed to find a dusting of snow on everything. I went to the common area and was heartened to see most citizens were dressed for the cold. Me...not so much. It is hard to do a serve with your teeth chattering and your hands turning blue. Thankfully my Master came to the rescue with a cloak he had for me. I cannot speculate on how long this cold snap will last but I suggest you have your gloves, hats, and cloaks at the ready. Barring that, just stand next to one of the brick ovens in the kitchen.

RETRACTION OF WRONG ANSWER..

Virgin slaves can wear any color they want.. The wrong answer appears below.

1) Virgin slaves were generally not allowed to wear:

MARLENUS of AR and Lady Claire driven From AR by Culprits

HOMESTONE IS SAFE IN CUSTODY LADY CLAIRE

Yesterday fifth day of the fourthhand of the eight month 10162 contasta Ar Lady Lore, together with a fired Captain (Tres Tuqiri), the HoC of the Physicians (Gordan Pascal) and the HoC of the scribes (Drouk Gustafson), TOOK OVER of AR's rulers OVERTHROWING its legal regime, banning from AR's walls most citizens and the rulers Marlenus and Claire of AR.

After a desperate run thru the city, Lady Claire managed to take most of AR's important papers and running up the stairs of the central cylinder, she grabbed the Homestone,

leaving the warriors behind, escaping over the high skybridges.

Having build the city and thus knowing it weaknesses, Lady Claire had the builds collapse behind her, fleeing from one build to another, leaving nothing but a huge pile of stone.

Hiding in the clouds of dust wafting high in the sky taling AR's destruction from afar, she managed to escape the now ruined city bringing with her, her still loyal residents and warriors, fleeing over the barren lands leaving the culprits in a desolate state.

Moving all night hiding in the dark, they managed to find a safe hiding place for AR's homestone, of which now only Lady Claire knows its whereabouts.

Finally finding a hiding place in the woods they rested and are contemplating the future.

MIDGAARD & HOCHBERG ATTACK ~ HEAVY CASUALTIES SUSTAINED

Fina sustained heavy casualties on the 3rd Day of the 2nd Hand of the Eighth Month, when the rogue cities of Midgaard and Hochberg attacked, taking two women off, and injuring scores of others.

Commander Skua Brown praised the effort of the Fina Warrior Caste and the free men of Fina who defended the town valiantly, but the raiding force outnumbered the defenders, and two Free women, the Ladies Janet Balfour and Ana Snowfall, were abducted and taken to Hochberg.

The Lady Janet was returned to Fina by wagon from Hochberg on the 4th Day of the 2nd Hand, after her captor was finished with her. She was treated by Fina Counsel Az Barrett, a member of the Physician Caste by birth and training, and spent the night in the infirmary.

The Lady Ana was returned for ransom on the 5th Day of the 2nd Hand. The Lady's companion Ashur Darkmatter paid the demanded ransom of one silver to her captor in exchange for her return.

The Commander has vowed that the two rogue cities will pay for the outrage inflicted upon Benevolent Fina. "Those people in Midgaard and Hochberg will pay and pay ten-fold. No one attacks Fina and gets away with it, and you can quote me on that," said the Commander in an interview with the Spirit following the attack.

A stranger came to Jahesa for a tour of the city and ended up being a thief by stealing tools from the smithy while the slave was giving him the tour. He expected there to be no repercussions for this act, but he was soon found out. Tibrok came and confronted the stranger and when he found the tools in the stranger's person attacked him. During binding the stranger managed to make his dishonorable escape wounding Tibrok in the process, but leaving without his ill gotten gains.

Moana was punished this week for stealing and drinking her Mistress the Ubara's Ka-lana. In her drunken state she also dismissed her Master the Ubar. She was stripped and given a punishment of violation by whip by her Master and sent to her kennel. She is lucky that mercy was shown to her and that her punishment was not more severe.

LANDA

EXCERPT FROM THE LANDA HERALD

Tal Warriors.

With the election of Sir Smiley as Ubar of Landa our city enters a new phase. War brews around us, blows hot and cold, but is never far from our shores. I have no doubt of the continuing need for vigilance and forthright defence of what is ours and what we hold dear. As Scarlets we will support our Ubar to the best of our ability to protect our homestone and those sharing it.

Hail Landa, Hail Ubar!

signed and sealed by: Osorkon, Commander of Landa

FROM THE COMMANDER OF LANDA

When Lady Bella asked me to write an article for the first edition of the Landa Herald, I was more than happy to comply. I commend to the editor and all those who provide the Landa Herald with articles and other information. I have no doubt that the Landa Herald will quickly become a reputed newspaper which will show everyone in Gor what a lively and diverse city Landa is.

As Commander of Landa I am leading our Red Caste, those brave men who are here to defend their homestone and those sharing it with their lives.

Over the past few hands we have seen a rapid growth of our population, which also has a positive effect on our Scarlet. Due to the influx of new, experienced warriors I was able to restructure our ranking system and fill the key positions with those men who have proved their competence in combat and leadership.

We have also revised our city defences and our defence tactics. Some aspects which concern you as Citizens will be related to you by our Scarlet by word of mouth.

All these measures ensure that our citizens and trade routes are kept safe, against repeated attempts by our enemies to undermine our sovereignty.

In light of these threats our Scarlet is on high alert until further notice. This threat comes mainly from Southern cities but we should also be vigilant against the North. Their hordes are known to be uncivilized, ruthless and barbaric, when they come over a city's walls to steal their Free Women and slaves. Only a strong Scarlet, like ours, can ensure that this won't happen. I want all our enemies to know that the price for attacking us will be at least hard work in our copper mines, until their debt towards Landa is paid.

Therefore, my fellow citizens, the need for a military presence and the need for a Ubar to lead that military is evident.

I encourage all citizens to keep their eyes and ears open and report any suspicious observations to the Scarlet.

If you have any questions or suggestions you can also put a scroll in the drop box next to the entrance of the Warrior Hall.

I have no doubt that Landa has a glorious future, as long as we are united in our loyalty and our determination to respond to any threat swiftly and overwhelmingly.

Honor and Steel
Osorkon, Commander of Landa

CITY OF TOR

TOR WELCOMES YOU TO THE TAHARI

Salaam's

Many sand storms have been sweeping the Tahari.

Many died, oasis taken by the sands (Tor had almost the same faith) and many still wandering the dunes emptiness.

Tor was not exempt from and suffered to survive.

Many caravans bound to Tor, re-stoking the Kasbahs and Souks. Crews of slaves have swept the sands and the city is reviving and expanding (we added a new sim to the North side).

New buildings are being built that will have the Clinic, the Gallery and the Hall of Justice moved to them, growing the facility offer to those that need the services of Greens, Magistrates or Artists.

A new Souk will be built also complementing the offer that the Kasbah has to those that want to have a place in the markets that supply not only the desert oasis but all travelers of Gor.

We have discovered a new source of water on that taken land from the desert and that will fill the cisterns where those travelers can fill their water bags to further explore the Tahari.

However, Tor is welcoming all that are lost and looking for safety, a place where they can stay and enjoy the ways of the desert. Strict but polite, Gor but not war, where men are men and women women but that is respected as such, where slaves are slaves but no princesses, harsh as the desert but with the mild manners from all, where the gems shine on the moon light and the cold nights balance the heat of the day, where the breezes sings the loneliness of the sands.

Tor is the pharos of the desert and to where all the caravans bound from and to the deep lands and sands, where all come to rest, restock and amuse themselves on the several cafes of the city.

The shinning beauty of the buildings, the rich palaces of the sheiks and emirs, the public pens and private harems, the magnificence of the Throne Hall of the Sultan, the tents all around does give the image of the calm beautiful atmosphere that is lived in Tor.

The Guards of the Dunes, the reds force of Tor ensure that the peace is kept as Tor affirms itself as neutral while the guardians on their white capes police the streets and keep the citizens safe and thieves away, assuring that their hands will be on the block if they dare to put them where they shouldn't be.

Tor is a taharic gorean city worth to be visited.

Maybe you will find a caravan that brings you to over to here.
May your water bags be always full, may you always have water.

[Quotes]

Whereas members of the caste of slavers are slavers, not all slavers are members of the caste of slavers. For example, I am not of the slavers, but in Port Kar I am known as Bosk, and he known as many things, among them pirate and slaver. Too, both Marcus and myself were of the warriors, the scarlet caste, and as such were not above taking slaves. Such is not only permitted in the codes, but encouraged by them. "The slave is a joy and a convenience to the warrior."

(Magicians of Gor pg, 315)

CURRENCY EXCHANGE RATES HOY BANK IN OLNII

The base unit of exchange rates are the coins of the city of Ar.

The gold tarn disk of Ar is considered to be the standard by which other cities, such as Ko-Ro-Ba and Port Kar. set the value of their own coinage. It is worth, generally, 10 silver

tarsks, but standardization is slight due to the shaving or splitting of the coin as well as faulty scales that contribute to the debasing of the coinage. (pg. 155, Rogue of Gor)

[OOC] TAVERN OF THENTIS

I am Pierre Burckhardt, The Tavern Master of Thentis. I am looking for Serving Girls, Patrons, and Assistant Tavern Masters to come to my Tavern. I have just started this up recently so give it time to grow. I have stated below what the deal is for those positions.

(1) Serving Girls

The tavern needs to be stocked with Tavern Girls (and I mean girls ... not boys) and I am receiving applicants for that position. You likely know the drill there ... a bit of serving ... a bit of dancing and a bit of furring. I know you may have your own Gorean sims or non-gorean Sims you frequent but if you are in the mood for a little subbiness and a little pixel-sex or an excuse to try out your expressive-creative side then why not try being part of my harem of girls at Thentis. I will endeavour to keep the Tavern busy with both patrons and girls. If you are loyal to some other Gorean Sim we can RP you are being rented for that time orrrr you can join Thentis more permanently.

YOU CAN WORK FOR ME AND STILL BE OWNED BY ANOTHER MASTER/MISTRESS. Consider it that you are being lent to me with your Owner's permission. Yes ... a radical new approach but something has to be done to keep taverns populated. I will endeavour to arrange patrons with girls through notices.

I will ask that you have a minimum of talent as a tavern girl. Give me a three lines of a classic Kajira serve, give me three lines of a good dance, and RP me some hot sex. I would need to see your avi naked too ... I mean ... come on ... no noobie looking bods ... no offense. I am a RL guy and I know what is hot. The interview is not a casting couch but certainly you should not be afraid of sexing with strangers.

(2) Tavern Patrons

If you know of a Master who likes to be pleased (like ummm all of them) then please have him send me an im. I am the Tavern Master at Thentis and I am seeking Patrons for my Tavern. But these patrons need to be a part of a club. I will interview the prospective patron first. I seek to maintain a minimum level of quality of RP and proper Gorean behaviour. If you seem like a douchebag, you bore or abuse the girls (within some limits) ... you are out of the club.

Please tell your Master or your Master's bachelor friend about me. He does NOT have to become a Thentis citizen to join. Ohhhh and FW let your men off their pussy-whipped leash once in awhile - this is GOR !

(3) Assistant Tavern Masters

I am looking for Assistant Tavern Masters. No Free Women are allowed in Taverns so that limits it to men. You need to have some time on your hands for this but basically you just

have to periodically ask the Tavern Girl group whether there are girls that want to serve ... then do the same for the Tavern Patron side. Duties would be as light as you wished.

(4) Protectors

I am looking for Protectors for the serving girls. Preference is to experienced kajira that can provide some oversight of the girls, assist with the running of the tavern, and contribute ideas and thoughts. Duties would be as light as you wished. First girls would be ideal for this.

LADY JJ'S ART GALLERY

Welcome to my Art gallery. I have many sketches on view of people who you may recognise so please feel free to drop in any time you wish to look round. I am adding new ones all the time so keep visiting. For Olni residents I charge just ten coppers for a sketch of a single person. so why not have one done of yourself, your loved one or your slave. Or even all three as they make wonderful gifts. My gallery is in the square besides the bank building in Olni so please come along.

Lady JJ

HOY BANK OF OLNi

The House of Yuroki Bank is a privately owned company in the Port of Olni in Saleria, licensed by the city. It employs its own bankers, merchants and guards, all of the highest

quality.

Specialising in coin production, it is pleased to offer this service to any cities wishing to issue their own coinage. For this it could mint their coins.

It is also interested in opening branches in other cities, working under license from them. It would wish to acquire premises in them to operate from, and would prefer to employ native citizens in the first instance as their staff

Any bank would be able to issue all citizens a starting wallet of coins.

The bank makes records of all transactions, the head merchant and the magistrate would get a copy each and every month.

If the city wished to pay citizens a wage or claim taxes it would not be the decision of the bank, but the bank would cooperate.

The blue caste, the green caste and the metal workers would need make a price list for their services.

ROLEPLAY

PILGRIMAGE

The pilgrimage is a thrilling idea for role playing in Second Life Gor, it is the role play background itself and is a way for pilgrims to explore the amazing and wild world of Gor more or less in safety.

Pilgrims to the Sardar mountains have to endure endless journeys, have to travel through dangerous regions and visit a lot of cities, villages and camps.

The pilgrimage is not only an idea for the pilgrims, it also enriches the entire world of SL Gor.

KNOWLEDGE

CLOTHES OF SLAVES IN WINTERTIME

“The slaves were now warmly garmented, though not, of course, as might have been free women. The robes of concealment in winter are much like those of gentler weathers, save for darker colors, more absorptive of, and retentive of, heat, heavier materials, some additional layering, and such. In the case of the slave, a short, long-sleeved jacket, coming high on the hips, its length resembling that of a slave tunic, is worn over an undershirt. They are also put in trousers, belted with binding fiber. Whereas in the case of the free woman her legs are concealed within her enclosing garmenture, in the case of the slave,

even in the winter, it is clear, however warmly they may be clothed, that she has legs, and that this is to be obvious to the scrutiny of men. The wrappings of the legs and calves is wool, over which leather is wrapped. The last garment is a warm, hooded cloak, which may be held closely about the body. Her face is commonly bared, except in severe weather, and, in any case, there is no mistaking her status, given her garmenture...Their collars, of course, even in the winter, are kept on the slaves. They remain collared. They are slaves." (Swordsmen of Gor, chapter 37)

BRANDS

People read the books.

Brands do not GET removed .

The following quote, while not from the 'Gor' series shows clearly what John Norman's view on the removal of brands is and what should happen to a physician who removes one surgically

"...brands, of course, stay on the girl; it is a serious offence to attempt to remove one surgically, punishable by enslaving the physician;"no physician who removes a brand is safe; accordingly, few physicians dare to remove brands..."

[12:45] Carrie Islar: how many rules are there she says looking at the scrolls in scouts arms

[12:45] ScoutGalt Resident: This is the cities law scrolls.....all 20 of them. (rolls her eyes) "cause they really need this many rules"

[12:46] Carrie Islar: 20!! well i guess we better look through them then

[12:46] Carrie Islar: Oooh look I just found the battle rules!

[12:47] ScoutGalt Resident: All very good but I wasn't planning a one woman battle with the bugs when I find them.

[12:47] Carrie Islar puts down the scroll on battle rules a look of disappointment on her face as she mutters under her breath "I don't see why not"

[12:47] ScoutGalt Resident: I doubt the moderator would call fighting bugs a battle.

[12:47] Carrie Islar: hmm good point, though you never know lets keep the battle scroll handy just in case

[12:47] ScoutGalt Resident: nods & picks up new scroll

[12:47] ScoutGalt Resident: "Tarns & Animals. Do you think it pertains to bugs?"

[12:48] Ries Kurka smiles and listens at the sitting down comedians
[12:48] Carrie Islar: Really? she looks at scout then shakes her head no i dont think so
[12:49] Carrie Islar: do you think they need bugs pre approved?
[12:49] ScoutGalt Resident: "They are asking for help to control the bugs. Certainly they've preapproved their own bugs!"
[12:49] Carrie Islar: they say here only pre approved animails
[12:49] Carrie Islar: nods absently "you would think so", she answers still looking for the scroll she wanted
[12:49] Ehnnanola Bogbat chuckles hearing the pair
[12:49] ScoutGalt Resident: "Carrie what does this mean: 'Your meter name/slogan must be visible over your head and attached to your nose or eyes when using "Highlight transparent". What!?!"
[12:49] Carrie Islar: hahahahahahahahaha
[12:49] ScoutGalt Resident: What?????!
[12:49] Carrie Islar holds her sides
[12:49] Carrie Islar: hahahahahahahahaha
[12:50] Carrie Islar: it means haha that you have to wear your meter on your nose or eyes and that they check it hahahaha

ABOUT THE NEW VOICE OF GOR

The Landa Times is to become the NEW VOICE OF GOR.

The reasons for this are the former VOICE OF GOR is one of the oldest publications of second life Gor. Many Goreans have come to know it and its editor Verona Lorgsval.

Verona does not longer publish the Voice of Gor which was based in the city of Olni. Her mission statement for the paper was:

"The Voice of Gor is a cross sim Gorean wide newspaper. It is designed to promote and increase Cross Sim Roleplay and communication. The Voice of Gor strives to ensure that all parties are contacted ahead of time; however, occasionally a city will object to what was written. Any city is free to write a rebuttal or send in their own news."

That same note will be used and the same conditions apply. This is especially important at the present time. By the book sims are closing and opening every day the voice of Gor will be just that a voice where people can contribute articles, and ideas how Gor can be improved for the people who play a role within the cities.

THE NEW VOICE OF GOR is available:

for members of the group Cartographers and Explorers of Gor (about 1600 members)
for members of the group BTB Goreans (about 600 members)
for members of the group Alliance of Valkyrie Panthers (about 1100 members)

in the Gor Hub (near the map there)
in the Port of Olni (in front of the HoY bank)
in the City of Ar (currently under construction)

at Port Meqara Point (inside the city)

In Forestport (docks)

in Port of Victoria on Vosk (docks)

in the City of Kassau (skybox)

If you want to have a dispenser of the NEW VOICE OF GOR (6 prims, not transfer) on your sim, please contact Yuroki Uriza
