## 02 EDITORIAL

# A warm welcome to the pages of the 149th issue of the NEW VOICE OF GOR !  
The seasons are changing with the new year beginning armies are testing their troops. It is traditional that the armies of Gor plan and begin their march to enter into battle with their enemies. So as the spring rains begin to dry up spies are out to glean information for the direction of march for city troops. Tarns are covering vast distances to watch for movement of siege equipment ahead of the main body of men.

The NEW VOICE OF GOR will pay good coin for information on troop movements.

Lady Wendie (Lemon), NEW VOICE OF GOR staff

# Best wishes and get well soon to our no 1 reporter Teal razor. After a spell in hospital (in another world) we all hope you are on the road to recovery. We have all missed your column in the NEW VOICE OF GOR. Love from all in Tancred's Landing.

## TOPICS AND DECISIONS

- VIGO / STA SALT DECREE  
(confidential]

- KANDA TRADE

[15:18] Rarius Yuroki [Yuroki Uriza]: lifts his hand shrugging: just a question: "are we able to control the kanda trade? Merchants who are trading with Kanda should get a receipt from us that they have purchased Kanda legally and not from smugglers..."

[15:21] SARAN [Ries Kurka] speaks loud and clear "it will be impossible to do that Yuroki, quantities involved is very limited, you can hide it in a kaiila's ass even, how would you control the trade except if it is centrally bought, but we are spread all over the tahari and south of Gor?"

[15:22] Rarius Yuroki [Yuroki Uriza]: "I must admit that, and perhaps a decree about Kanda trade would make us ridiculous."

[15:24] κουρους [SireLion Diabolito]: yes regulating but if you stop the kanda's trade the war you would avoid could come

[15:25] κουρους [SireLion Diabolito]: you have to find a middle way

[15:31] Δαμῖεν Γῤῥῥ [Kreon71 Resident] "I already told Abydos opinion, let the kanda flow and then we can conquer. we are getting fat sitting on our asses doing nothing and letting the merchants rule."

[15:32] Rarius Yuroki [Yuroki Uriza]: "very well, i withdraw my proposal about a Kanda decree then, perhaps the Pasha of Nine Wells should recommend another kind of regulation the next time"

[15:32] SARAN [Ries Kurka] nods "I also support that view, no control on the kanda, Tharna can do as they wish in their territory"

#### 04 [OOO] GAY GOR [SCHEDULE]

Slaves of Gor, Kajuralia is coming Saturday March 15! You have 9 days to prepare to harass the free!

Annual festival of slaves, Kajuralia is celebrated once a year in most Gorean cities at one of two different moments. The first chosen date for Kajuralia is the last day of the twelfth passage hand. The other common date which is used by the city of Ar among others, is the last day of the fifth month of the year which is the day preceding the Love Feast. The only city which is said not to celebrate Kajuralia is Port Kar though we are not told specifically why that is.

The Kajuralia, or Holiday of Slaves, or Festival of Slaves, occurs in most of the northern, civilized cities of known Gor once a year. The only exception to this that I know of is Port Kar, in the delta of the Vosk. The date of the Kajuralia, however, differs. Many cities celebrate it on the last day of the Twelfth Passage Hand, the day before the beginning of the Waiting Hand; in Ar, however, and certain other cities, it is celebrated on the last day of the fifth month, which is the day preceding the Love Feast."

Assassin of Gor, 17:229

"This Holiday of Slaves is a time when slaves play pranks upon Masters and Mistresses and are generally granted more patience than usual. A number of scenes of Kajuralia can be found in Assassin of Gor, where in the city of Ar, Tarl Cabot and others falls prey to the pranks of slaves on the streets of Ar and within the walls of the house of Cernus. From the mixing of salt into porridge to the kidnapping, roping and use of free men as serving slaves for a few hours, slaves will, on this day, take their chances with the understanding that they remain at the mercy of those they chose to prey on and that this apparent leniency lasts but a day.

"KAJURALIA!" CRIED THE slave girl hurling a basket of Sa-Tarna flour on me, and turning and running. I had caught up with her in five steps and kissed her roundly, swatted her and sent her packing.

"Kajuralia yourself!" I said laughing, and she, laughing, sped away.

About that time a large pan of warm water splashed down on me from a window some sixteen feet above the street level. Wringing wet I glared upward. I saw a girl in the window, who blew

me a kiss, a slave girl. "Kajuralia!" she cried and laughed. I raised my fist and shook it and her head disappeared from the window. A Builder, whose robes were stained with thrown fruit, hastily strode by. "You had better be indoors," said he, "on Kajuralia.""  
Assassin of Gor, 17:223

## RARE DIALECTS OF GOR

## 09 WANDERMARKT OASE DER ZWEI SCIMITARE

Der Markt in der Oase der zwei Scimitare war sehr gut besucht, man sah die alten und auch neue Gesichter. Die House-of-Yuroki-Handelsgesellschaft reiste mit einem Bosk-Karren an, um exotische Vögel und andere Tiere aus der Schendi-Region zu verkaufen. Leider kamen dabei einige Teppiche zu Schaden, weil der Bosk vor den ungewohnten grellen Farben scheute und darauf herumtrampelte. Die HoY Handelsgesellschaft wird Ersatz leisten.

Neuer Markt Termin ist zum 23.3.2014

## 10 KAISSA TURNIER JORTS FAEHRE

ausgerichtet von der Kaissa Guild of Gor erstmalig auf einer deutschsprachigen Sim.

Das Turnier ist in zwei Leistungsklassen unterteilt, Students und Master, so dass auch Anfänger sicherlich viel Spass daran haben werden.

Gespielt wird über mehrere Wochen, die Termine legen sich die jeweiligen Gegner selbst.

Anmeldungen noch bis Sonntag möglich, bitte zu Händen von Astary Pendragon, oder zu mir (Indira Furse). Noch Fragen? Auch dafür schreibt mich gern an.

## 11 SKLAVENKARAWANE VON GOR

Liebe Rollenspielerin , lieber Rollenspieler,

wenn du diese NC erhältst, bist du herzlich eingeladen an dem Spiel "Sklavenkarawane von Gor" teilzunehmen. Du kannst dazu auch sehr gerne weitere Spieler einladen. Das Spiel ist in einigen Stufen aufgeteilt, die nötigen Informationen werden immer rechtzeitig verteilt. Ausgehen von den Infos, kann jeder im Spiel nach seiner Kreativität und Fantasie spielen. Du kannst dabei an deinem Ort bleiben und deine Pflichten erfüllen, du kannst Reisen....eigentlich bleibt alles wie es zur Zeit ist, nur

die Gier nach Gold wird viele verleiten etwas zu tun, aber das bleibt jedem selbst überlassen.

### 1. Aufgabe

Lese den Aufruf und überlege ob es für dich etwas bedeutet schnell reich zu werden?

Wenn nicht, könnten andere deinen jetzigen Reichtum, dein Leben verändern? Leute die die Gier treibt?

Es werden Leute Sklaven zusammen treiben und versuchen ins Sadar Gebirge zu stoßen, um dort die Händler anzutreffen, die wahrscheinlich in zwei, drei Händen dort mit Berge voller Gold warten.

Leider wird es Probleme geben, es ist nicht ganz so einfach.

##### # FACTS

##### # REWARD - DEAD OR ALIVE

A messenger arrived at the HoY headquarters delivering this scroll, sealed and encrypted:

"On Monday night of this week a man with long dark hair, a small short beard around his jaw line and a patch of hair under his chin came to Olni and confronted, if that is a good word, the Ubar of Port Olni as he was leaving the small area after a spar match. The Ubar was talking to his Captain of the guards, Siri Emerald. We found out through his confession that he was from Port Salaria. He wants to kill Yuroki.

He confessed to using a lot of different weapons so I could not vouch for that..He is slender of body and dresses all in black...He usually has a Glaive on that looks like a Q-tip with spikes

on the ends encrusting it. I have never seen this glaive and I watch weapons obsessively. It is quite unusual."

The House of Yuroki Companies will pay

TWENTY GOLD TARN

for this man DEAD OR ALIVE.

His name is unknown but the description is very accurate:

ADDENDUM:

[09:20:07] Διμήτρηου ἔ SKYTOWER Διμήτρηου ἔ SKYTOWER from the ferry he sailed, toward the destination in hand. Information may have been scarce, but it was information he still hand. Without a word he would pull the small boat along side the larger one, and proceed to clip the nets, climbing from the side fo the ship to the main deck, clear up the mast to the vulture's row. From there he climbed over to the pulley, and then to the top of the building where that opening was. He shimmied himself passed that and then into the office, clinging to the shadows calmly and then headed inside where the man was seemingly sleeping. He had a contract on this man himself, but instead of carrying it out, he would simply place a dagger on the fool's desk, and then leave the wanted poster on the desk jammed into it with a single message to him. "Challenge accepted."

[09:28:26] Διμήτρηου ἔ SKYTOWER Διμήτρηου ἔ SKYTOWER once that was done, he would simply head back out the same way he came in, diving off of the side of the building to the water below, and swimming back to his boat, before the beasts became akin to his presence in their dwelling. Once he was secured back in his boat, he would simply sail himself back off toward his next destination further down the vosk.

# SEEKING MERCENARIES, AGENTS AND MERCHANTS

## 14 CURRENCY EXCHANGE RATES HOY BANK

The base unit of exchange rates are the coins of the city of Tharna.

NEW The HoY bank accepts and converts coins from the City of Victoria (1:1)

The gold tarn disk of Ar is considered to be the standard by which other cities, such as Ko-Ro-Ba and Port Kar. set the value of their own coinage. It is worth, generally, 10 silver tarsks, but standardization is slight due to the shaving or splitting of the coin as well as faulty scales that contribute to the debasing of the coinage. ## ## KNOWLEDGE

### 19 NEW YEAR

[21th March 2014 = First day of the first hand of the month of En'Kara (the first turning)10165  
Contasta Ar

On leap years the New Year is celebrated on the "extra day" between the Waiting Hand and the equinox. On the day of the Vernal equinox, the Ubar or Administrator of the city performs a ritual "greeting of the sun," after which doors are repainted and the brak foliage is removed, beginning a ten day period of general revelry.

"...Then, at dawn, on the first day of En'kara, in the name of the city, the Administrator of Ar, or a Ubar if it be Ubar, greets the sun, welcoming it to Ar on the first day of the New Year. The great bars suspended about the walls of the city then ring out for more than an Ahn with their din, and the doors of the city burst open and the people crowd out onto the bridges, clad in the splendor of their finest, singing and laughing. The doors are painted green and the pitch washed away, and the branches of the Brak Bush burned in a small ceremony on the threshold. There are processions in the city that day, and songfests, and tournaments of the game, and recitations by poets, and contests and exhibitions. When the lanterns on the bridges must be lit the people return home, singing, carrying small lamps, and give the night over to feasting and love. ...  
(Assassin of Gor, 10:211-212)

There are 12 twenty-five day Gorean months in most of the calendars of the various cities. Each month, containing five five-day weeks, is separated by a five-day period called the Passage Hand. The Passage hand separates between every month, there being one exception which is the last month of the year. This month is separated from the first month of the next year, which begins with the Vernal Equinox, not only by a Passage Hand but by another five-day period called the Waiting Hand. During the Waiting Hand is the time doorways are painted white, little food is eaten or drunk, no singing or public rejoicing is done. In its way it is akin to a period of mourning for the old year gone. Goreans spend much of their time outdoors, on the bridges between the cylinders and in the streets. They have a reverence for nature that is not always as appreciated on earth as it is on Gor.

2:178-179 "Chronology, incidentally, is the despair of scholars on Gor, for each city keeps track of time by virtue of its own Administrator Lists; for example, a year is referred to as the Second Year when so-and-so was Administrator of the City. One might think that some stability would be provided by the Initiates who must keep a calendar of their feasts and

observances, but the Initiates of one city do not always celebrate the same feast on the same day as do those of another city. If the High Initiate of Ar should ever succeed in extending his hegemony over the High Initiates of rival cities, a hegemony which he claims he possesses already incidentally, a unified calendar might be introduced. But so far there has been no military victory of Ar over other cities and, accordingly, free of the sword, the Initiates of each city regard themselves as supreme within their own walls."

On the Vernal Equinox, which marks the first day of the New Year there is great rejoicing; the doors are painted green there is song, games, contests, visiting of friends and feasting which lasts for the first ten days of the month, thereby doubling the period taken by the Waiting Hand. Month names differ from city to city, but among the civilized cities there are four months, associated with the equinoxes and solstices and the great fairs of the Sardar.

En`Kara - Lar-Torvis [first turning] - the first month of the Gorean calendar, that of the vernal equinox, which is the Gorean new year; roughly equivalent to the Earth calendar month of March

Dates are referred to as the nth day of the mth month, like the following from Assassins:

5:234-235 "He did so late in the spring, on the sixteenth day of the third month, that month which in Ar is called Camerius, in Ko-ro-ba Selnar."

Ko-ro-bans and Larans, however, refer to dates by the hand they're in. Thus, the 16th day of the 3rd month in the example above is the 1st of the 3rd hand of Selnar. Their reasoning is that it doesn't make sense to refer to some days as relative to the start of a month, and some days (in the Passage Hands in general and the Waiting Hand in specific) as part of a hand. 6:1 "It was the fourth day of the sixth passage hand, shortly before the Autumnal Equinox, which in the common Gorean calendar begins the month of Se`Kara.

En`-Var - Lar-Torvis [first resting] - the fourth month of the Gorean calendar, that of the summer solstice, roughly equivalent with the Earth calendar month of June.

Fifth Passage Hand - Love Feast [occurs in late summer-best time to sell slavegirls]

Se`Kara - Lar-Torvis [second turning] - the seventh month of the Gorean calendar, that of the autumnal equinox, roughly equivalent to the Earth calendar month of September

Se`Var - Lar-Torvis [second resting] - the tenth month of the Gorean calendar, that of the winter solstice, roughly equivalent with the Earth calendar month of December

MASTER:..~Taking the carefully prepared drink that My devoted little one has so thoughtfully brought Me~..Well done girl..You have pleased Your Master..

KAJIRA:...~passes out~

MASTER:..My poor girl is so overworked she must be exhausted..~picking her up and carrying her to the furs to rest~

## ABOUT THE NEW VOICE OF GOR

# (OOC) FREQUENTLY ASKED QUESTION

Is the NEW VOICE OF GOR OOC or IC?

This newspaper is available IN CHARACTER at message boards in several cities. But it has OOC parts and IC parts which can be identified although many people mix both. We try to keep the two separate. But if you start a storyline based on an IC article of the NEW VOICE OF GOR it would be useful for a moderator to have a log where you have read the message ICly.

The NEW VOICE OF GOR can be true or false, propaganda or journalism like on earth. There is no freedom of the press on Gor. Why let the truth get in the way of a good story?!

"Goreans were not always fooled by posts on boards.  
Those who control the public boards, it is said, control the city.  
But I was not sure of this.  
Goreans are not stupid.  
It is difficult to fool them more than once. They tend to remember."  
(Magicians of Gor)

Why is "publicare et propagare" the motto of the NEW VOICE OF GOR?

You all know that Goreans use message boards to spread news, announcements and gossip. Such are found at various points in Ar, such as the vicinity of squares and plazas, near markets, and on major streets and avenues.

Books are rare on Gor and expensive. Paper is the essential trade good of the Rencers and they sell their wares on both the eastern and western edges of the Delta of the Vosk river. The NEW VOICE OF GOR is a collection of rence paper scrolls but the editor paid some message

boards too to spread the newspaper. Gorean Public Boards sometimes made people angry. Those who control the public boards, it is said, control the city.

We took our motto from the Acta Diurna [latin: Daily Acts sometimes translated as Daily Public Records] on earth. The Acta Diurna were daily official notices in ancient Rome, a sort of daily gazette. They were carved on stone or metal and presented in message boards in public places like the Forum of Rome.

Acta Diurna introduced the expression "publicare et propagare", which means "make public and propagate". This expression was set in the end of the texts and proclaimed a release to both Roman citizens and non-citizens.
