ALL OVER GOR

03 A BATTLE OF THE QUILL

by Yankee [yankee Faulkner], ambassador of Abydos □

Over the past few hands I've had a situation of manipulation and down right lies. I wrote a letter to Lady Ehnna, an Elder of the merchant caste and High Merchant in Turia, an explanation of my outlook on the situation between Isle of Tarns and the {Turian "Southern Trade Alliance] STA*. In return I received a scroll filled with contempt and insults. As a simple Scribe of Abydos, I write how I see fit, but her scorn became clear as I called her a Low Caste merchant.

Merchants are part of the low caste system (Not to be confused with being low class, in earth terms) this simple reminder was to push my point that her verbal integration during my last visit was insulting. I have no reason to belittle Lady Ehnna, she is actually a woman of high regard among Gorean's, including myself. My interest was merely to remind her of my station and that of the Village of Abydos.

Lady Ehnna 's reply showed me that The Village of Abydos never explicitly requested to be part of the STA, I'm so happy she was able to follow through with my request. It seems that in my seeking information and Lady Nika's greeting the merchants of the STA in the march meeting it was assumed the village of Abydos would join the STA. In the April meeting of the STA, members denied a non existent request to join the STA. I asked lady Ehnna to have this stricken from the minutes of the meeting and an apology to all of Abydos before the STA members in May. I really don't think she will comply. So far, instead of an apology, the Village of Abydos has been attacked by 4 cities all at one time over a no trade issue. We have no trade with Isle of Tarns, the STA or with Turia. Yet still... Abydos Citizens are attacked rapidly, with intensity and raids last for extended amounts of time. All over a situation that has nothing to do with a trade alliance.

The STA is not simply trade as they want cities to believe. Be warned Gorean's, it's multipliable city alliance for war. I have obtained much knowledge in my long life span, Merchants strive for gold this is their lively hood, but a merchant who uses her position to gain information to harm citizens for a attack by the STA is evil. Lady Ehnna held back our alliance with Turia captive for her gain in gold. I find this to be harmful to her caste, and to her city and furthermore.. to all of Gor. The STA promises fruitful trade but never delivers, many village merchants grow old in waiting. I ask any honorable Gorean to stand with me and see that the STA will not harm your Home Stones as well. I desire to end the STA's reign of terror over Gor.

* Comment of the NVOG editor: This means the Turian "Southern Trade Alliance" and NOT the true Southern Trade Alliance (STA).

04 WAR OF VILLAGES

by Yankee [yankee Faulkner], ambassador of Abydos

After hours of deliberation, Abydos went to Isle of Tarn and made a show of force over the village. The issue was clear when presented men, women and children that packed up and

moved on from Isle of Tarn splitting to two different villages. Abydos and Jahesa did so due to a change in politics for Isle of Tarn, some swore to the home stone some didn't. Damien Gray went to Isle of Tarn requesting they pay tribute to Abydos for the simple reason that the blood and steel went in to protection of Isle of Tarn and the village could not return the obligation to the men. Abydos family's, their new home standing honorably among the Thassa would offer protection from the backwards politics of Isle of Tarn. So Abydos and Isle of Tarn fight for separate causes, Abydos will do the cause honor by defending it.

What had happen is the Isle of Tarn was left defenseless by their warriors. Only women working and frightened by the intrusion but none had been taken nor harmed. The point was to let Isle of Tarn know of Abydos citizens has a grievance with them. Isle of Tarn has taken this situation and blown it in to a monumental issue including the STA (Sothern Trade Alliance)*, this is not a trade issue this is one warrior to another. To let Steel met steel in its force is only for warriors will. Had we attacked trade lines we would expect to get attacked by the STA again a trade alliance.

Abydos has no desire to join this alliance called the Turian STA as we have found that included is a warrior alliance called the SOS. Abydos finds this in error of Gorean ways for many reasons; first Merchants use mercenaries to assist in trade protection. Second A trade group alliances that included warriors would be called something like the "United City's of Gor" (Earth terms "United nations"), merchants do well to make trade with city's allied with, it's the way of Gor. Third most importantly a merchant woman commanded warriors to attack Abydos. Has Gor sunk this low, do women forget their place? Or have men become weak? Gorean's I ask you read and learn about Gor's culture. Abydos has no need to be included in a Un Gorean situation.

We have been kind in only attempting to talk a way in to peace with Isle of Tarn, as ever sitting with the men of Isle of Tarn, having been verbally attacked on many occasions, Abydos warriors would see their Ambassador safe and bring the men to me. Having them endure integration from myself. But to no avail the men only yammer about warriors of Abydos, I had herd enough and suggested the warriors do what warriors do when anyone questions their honor. These men Thorn and Chaos had been Abydos captive "defected, lax in their caste codes, one inert and whining in traps of his own weaving. "(Rouge of Gor p. 228) had no desire in solving the issue but would only keep demanding to get their way, and not pay warriors a requested tribute. So the war goes on with Abydos desire to be in the glory, the codes, and the steel.

* Comment of the NVOG editor: This means the Turian "Southern Trade Alliance" and NOT the true Southern Trade Alliance (STA).

Reference: Scroll addressed and marked:

Lady Ehnna

Dated: 3rd hand second month 10,165CA.

Received: Third Day of the Third Hand of Hesius in Ar (Northern Region)

This scroll is addressed to Lady Yankee (yankee.faulkner) of the Village of Abydos.

As the ink flows from a scented, essenced quill to this parchment, I once again look upon a scroll that was received and signed by a lady for whom I had great respect, one who has undertaken such an arduous effort of trying to insult not only my duty of held governance of the coin, but to take on the astonishing actions of what must be perceived as ill-witted intelligence to profoundly insult the Merchant Caste of Gor and the low caste of the entire Gorean community, both to which I belong.

I thought to seek clarity of the deluded actions on the part of Lady Yankee, High Ambassador of the Village of Abydos, on behalf of the people and caste system she has insulted, the very persons of coin and honorable duty. In simpler terms, I sought to understand why a woman of once high regard would insult those individuals who command the very core substance of her bread, butter, and clothing?

The question now becomes evident. What made such a woman of high repute, a person of high caste, one who should uphold the dignity of words, honed by the robes that she should be honored to wear, representing one with the level of understanding and comprehension required by one that holds the station of Ambassadorship, act out such a nefarious performance?

Once again, reading this false propaganda that was sent to me, it will now be the responsibility of this parchment to state the truth of the matter, as recorded and documented

from the very meetings you dear Lady were present for, witnessed, sanctioned and agreed to.

And while we are of the reading, let us put the first fact on the table, shall we. The High Ambassador of Abydos sought audience with the very person she considered, low. Interesting, isn't it?

High Ambassador of Abydos, the impression you promoted was at the time, I had hoped, one that dealt with serious matters. So the warm address of welcome, the stay at the finest of Turian inns, the approach of welcome to my home, as well as the pouring of rich wine, which you drank at my table, was of respect and of the highest accord. It's interesting, that when we spoke, I came with the discussion of a very serious matter that involved many cities, villages and ports whose responsibility and doctrine, considered trade and the strength of the protection of the trade routes of high importance.

During such meetings of myself and you, in the presence of others, never once asked of my titlement. Yet you sought an audience with me, at my table, to speak of matters of grave importance, smiling at me and speaking with me of respect, the same respect I in return gave you.

Interesting that the very aspect of my titlements of a Chief Merchant of the second richest city in Gor has been assumed as a "mere" merchant as you so placed it. When in fact, I am an ambassador in my own right, assigned with the duty to hold discussion, one who deals in the discussion of trade, an elder merchant who gives respect of the discussions of coin, and with more wealth than even your eyes could observe in your life time. A "mere" merchant who happens to be companioned to the Regent and Head Ambassador of the City of Turia – that being our second fact.

Third fact. I am not the Southern Trade Alliance, dear lady. I'm a representative of a port that belongs within the STA. A group of like-minded individuals who knows the importance of trade, industry, commerce and the promotion of trade. In addition to this, I am involved "ONLY" in the Administrative duties within the group, ensuring that information to the membership in regards to meetings and discussions held are published. As my companion is the Chairman of the Southern Trade Alliance, the duties of administration and keeping all members informed of such meetings are of the highest priority.

Fourth fact. In the very discussions held, you asked when and who procured the interest of your village to the Southern Trade Alliance.

And it was stated to you, that in the Summit Meeting of the Southern Trade Alliance, held in the Isle of Tarns on the First Day of the Waiting Hand (in the northern region) (Sunday March 16th, 2014), representatives of the Village of Abydos, who were invited guests, gave statements of welcoming trade coming directly from your Head Merchant, Lady Nika Borgin (dutchy.moonshadow) as well as, at that time, Ambassador of Abydos, Matt Evanier, to members of the STA.

(Quoted scroll of the meeting of the STA, dated First Day of the Waiting hand - Sunday March 16th, 2014)

[01:10:13 PM] Nika Borgin (dutchy.moonshadow): Lady Nika Borgin, Village of Abydos and

Ambassador Sir Matt Evanier of the same village *her soft voice called out

Lady Nika was invited to speak on behalf of the village, stating that the village welcomed trade and that the visit at the meeting was a prosperous one.

[01:25:43 PM] Nika Borgin (dutchy.moonshadow): Thank you for letting us come here as visitors *she called out in her gentle voice. As the Village of Abydos is growing we are looking for new alliances . We hope to find them all over Gor , so this visit should be a prosperous one , yes yes . I will hand out our tradelist to everyone .
Feel free to come see our wonderful village .
Any questions , feel free to ask me or our Ambassador

Please see the attached scroll that was distributed.□

If it was not the intentions of the Village of Abydos to be inducted into the Southern Trade Alliance, and if you were the Ambassador to inform us, then a simple scroll stating your intentions of not wanting this action would have been sent. Instead, no such scroll was sent until now, with the intentions to maliciously attack the STA which did nothing wrong other than..... welcoming your Port, ensuring that the port's trade was known by all; seen by merchants, high ambassadors, Ubars and high officials, of cities, around Gor.

IF as you so stated, my intentions were ill then why would I meet with you to discuss the seriousness of the matter that would have affected the trade lines, the seeking of Tribute by the Village of Abydos to the Isle of Tarns, when such actions threaten the trade lines and the induction process of the STA and even the very alliance between your village and Turia?

You, High Ambassador of Abydos, in your own words to me, stated that you had no knowledge of the hostilities, only for your Captain to state that the Village was indeed at war with the Isle, a war you knew nothing about and that we agreed to a second meeting in order to clarify the matter.

(attached the first meeting held between the Ambassador of Abydos & the City of Turia) □

(Quoted from the Meetings with the Ambassador of Abydos & Turia held on April 1st, 2014. Present were Ubar Darius Kabasilas (darius.vayandar) of Turia, Lady Ehnnanola Bogbat of Turia, Lady Yankee (yankee.faulkner), High Ambassador of the Village of Abydos, Captain Tibrok Masala (tibrok) of the Village of Abydos)

[08:40:53 PM] Ehnnanola Bogbat looks over to the Commander....she asks.. "So Abydos is still under Administration yet you are at war" she says.. her eyes frowns and she sighs a bit as she looks at Lady Yankee.. "you can understand Lady Yankee, the questions I pose. This is a very serious matter. Your village asked to be inducted into the original Southern Trade Alliance, with the induction process which has started" she says. "If you are at war with the Isle of Tarns, it means you are in direct conflict and more so, would be looked at, as a danger to the Trade lines. This conflict, not only affects your village, but also that of all members within Trade" she says.. "It makes things very difficult, and your induction process at greater risk. Already word has been spread, to all Ports on Abydos's threats to the Isle...." she says and sighs.. "Tell me this though, if there is no war with the Isle, though you Warrior has

indicated, there is.. then tell me this... Would the village be willing to seek peace and talks with the Isle....and

[08:40:53 PM] Ehnnanola Bogbat: end all hostilities with the Isle of Tarns?"

[08:49:04 PM] Yankee (yankee.faulkner) sits back and drinks watching lady Ehnna as she speaks. Lady Ehnna as you know I'm well aware of the issue, I have been in my current position once before and remember the process of being voted in to the alliance. I come to you with just the current information I have. I would like a hand to gather the answers you request, I understand the importance and at this time I can't speak entirely for our new commander. I also understand that we have not transferred control of the village to the current commander due to not being at war. I can't be more plain, I know our Commander and Admin know the ways of Gor quite well and would follow the guide lines of succession."

(End quote)

It was in the second meeting, in your own words again, High Ambassador, where you sat at my table, telling me that the people who had made the threats of tribute were no longer, and that the Village of Abydos was not at war with the Isle of Tarns.

(Quoted from the Meetings with the Ambassador of Abydos held on April 11th, 2014. Present Joshao Rogerian (karaden.finesmith), Merchant Assistant of Turia, Lady Ehnnanola Bogbat of Turia, Jaris Bernard (jopie.klaar) of the Village of Abydos, Lady Yankee (yankee.faulkner) of the Village of Abydos)

[09:02:41 PM] Ehnnanola Bogbat: "So I take it then, that Abydos has no war with the Isle of Tarns?" she leans in to get the answer.. "As in, your Captain the other day, stated there was but in fact, there is no issue?" she asks once more

[09:03:30 PM] Yankee (yankee.faulkner): I can say at this time we have no war with Isle of Tarn.

[09:04:39 PM] Ehnnanola Bogbat leans back smiling with her eyes.. "well now, I will be happy to relay this information, but... I think it would be best coming from you dear lady...Would the Ambassador of Abydos, take a travel to the Isle of Tarns and speak with their Administration?

[09:08:03 PM] Yankee (yankee.faulkner) leans back in my chair adjusting my hair."I would be happy to travel there, shall I fear my safe departure?" I chuckle and pull out our alliance that is as crisp as the day I received it many hands ago "Now I do have this alliance I need to speak with Darius also?"

[09:09:14 PM] Ehnnanola Bogbat: "the Ubar has left for his furs one ahn ago (left early to head to bed for meeting in RL tomorrow)

[09:09:33 PM] Yankee (yankee.faulkner): ((sure not a issue))

[09:09:45 PM] Ehnnanola Bogbat: "I can however, relay the information to him, if you like.. as

for your safety, I can travel with you, if you wish, to ensure your safe travel and return"

[09:10:16 PM] Ehnnanola Bogbat looks to Joshao. "If not me, a very handsome Merchant with impeccable skills at selling" she says pointing to Joshao

[09:12:14 PM] Yankee (yankee.faulkner) smiles "you are to kind, I do jest. I do personally know many in Isle of Tarn that know I hold no danger just a free woman doing my caste's work" looking to Joshao and smiles "Well if he has business there I would be pleased to be accompanied"

[09:13:04 PM] Joshao Rogerian (karaden.finesmith) chuckles "it would of course be my honor"

(End Quote)

This information was relayed to the STA, that the Village of Abydos had no issues nor wars with the Isle, and that a positive direction was in process.

But, you went on your own to the Isle of Tarns and whatever transpired at that time between your village and the Isle occurred without any interference as you had asked for none.

Last fact.

Each port, village and city, is responsible for their own actions. The power and proxy of each port of trade, its alliances and decisions of trade, is made for that Port, by that Port, village or city's administration or ubarship. The actions of Besnit is of their own, as by right they are a port of Trade and fully understand its importance. Again, however hostilities upon the meeting, between you and the City of Besnit, are between your port and their port.

But if you feel I have such power, dear lady, then maybe I truly am a Merchant of Gor, where Gold has no caste.

The gold tarn disk of Ar is considered to be the standard by which other cities, such as Ko-Ro-Ba and Port Kar. set the value of their own coinage. It is worth, generally, 10 silver tarsks, but standardization is slight due to the shaving or splitting of the coin as well as faulty scales that contribute to the debasing of the coinage. THE GOREAN RECRUITMENT CENTRE

As listed in the SL destination guide, on its Website and in World via the SL3 viewer
And Now on the "Tumbler" Loads of New people coming and looking for RP destinations

The Gorean Recruitment Centre (GRC) has, since its creation in 2009 , expanded on a regular basis. and this is due NOT to the wishes of the Owner, but because of the needs of the people who use it.

The GRC is now a Part of the ROLEPLAY CENTRE (RPC) but it retains its total Gorean Theme and is 100% separate from the RPC itself. they just share the same landing point. As the signs show. The GRC HALL is to the Right and through an Archway.

ABOUT THE NEW VOICE OF GOR

(OOC) FREQUENTLY ASKED QUESTION

Is the NEW VOICE OF GOR OOC or IC?

This newspaper is available IN CHARACTER at message boards in several cities. But it has OOC parts and IC parts which can be identified although many people mix both. We try to keep the two separate. But if you start a storyline based on an IC article of the NEW VOICE OF GOR it would be useful for a moderator to have a log where you have read the message ICly.

The NEW VOICE OF GOR can be true or false, propaganda or journalism like on earth. There is no freedom of the press on Gor. Why let the truth get in the way of a good story?!

"Goreans were not always fooled by posts on boards.
Those who control the public boards, it is said, control the city.
But I was not sure of this.
Goreans are not stupid.
It is difficult to fool them more than once. They tend to remember."
(Magicians of Gor)

Why is "publicare et propagare" the motto of the NEW VOICE OF GOR?

You all know that Goreans use message boards to spread news, announcements and gossip. Such are found at various points in Ar, such as the vicinity of squares and plazas, near markets, and on major streets and avenues.

Books are rare on Gor and expensive. Paper is the essential trade good of the Rencers and they sell their wares on both the eastern and western edges of the Delta of the Vosk river. The NEW VOICE OF GOR is a collection of renece paper scrolls but the editor paid some message boards too to spread the newspaper. Gorean Public Boards sometimes made people angry. Those who control the public boards, it is said, control the city.

We took our motto from the Acta Diurna [latin: Daily Acts sometimes translated as Daily Public Records] on earth. The Acta Diurna were daily official notices in ancient Rome, a sort of daily gazette. They were carved on stone or metal and presented in message boards in public places like the Forum of Rome.

Acta Diurna introduced the expression "publicare et propagare", which means "make public and propagate". This expression was set in the end of the texts and proclaimed a release to both Roman citizens and non-citizens.
