## 02 EDITORIAL

# A warm welcome to the pages of the 171st issue of the NEW VOICE OF GOR !

The bad weather has delayed the transport of the newspaper. Tarn riders got into trouble because of heavy thunderstorms north of the Vosk. As we all know: some tarns are bred primarily for strength and are used in transporting wares by carrying basket. The good news is: All messengers, the baskets and the bunches of scrolls are safe now.

Rarius Yuroki, editor of the NEW VOICE OF GOR

## ## ALL OVER GOR

## 03 WE REGRET THE ERROR

The NEW VOICE OF GOR (vol.4 issue 170) published a message from Turia: \* [10:09] Blaze Kabasilas [Blazied Resident]: Turia is NOT a member of ANY STA, how many times do I have to state this?".

The message was true, but not the title of the man who wrote it. Blaze Kabasilas is the Regent of Turia, not the Ubar. We regret the error.

#### # THE SLAVE'S CORNER ~ A Satiric View of Life on Gor

By Teal Razor slave of Siri Emerald Jr Port Olni Scarlet

SECRETS AND HONOR ~ Loose Lips Sink Tarn Ships  
By Teal Razor

I have said previously that Gor runs on gossip. But, you must call that what it really is... "word of mouth". Gor does not have a vast communication network. If it did, we would see scrolls passed from one citizen to another with such rapidity that everyone would know in a matter of ehn's what "be the happ's" all over Gor. On these scrolls would be splashed headlines like, "FREE WOMAN SLAVER SUBMITS!", or "HIGHEST PAID FOR SLUT AT AUCTION", and "UBARITE LEARNS OF COVER UP". It is a tempting thought, to be informed.

I must say, however, there is something to be said for stopping information of a poisonous nature. Stopping the communication, before it starts, would prevent any detrimental news from antagonizing the public.

Think about this, a slave sees or hears something and passes this information on to another in casual conversation. This information titillates the ear of the other slave and consequently this titillated slave then tells everyone she meets of this fact; since she thinks it is a juicy tidbit. Even though the fact that Master Butticus has been frequenting the Zar tables may sound inconsequential to one person, to the "Companion" of Master Butticus, it is a devastating insight as to why their fortunes are fast disappearing. She will find out that her companion

has been wagering on games in which his losses outweigh his gains.

I have been privy to many of these well meaning communiqués. My problem has been whether to speak or write of these things. Mostly, after revealing these "sound bites", I have come to find it is better to keep my "trap" shut.

To this end I employ the "code of silence" which dictates the cover-up of family business and the non-aggravation of authorities. It also begs non-interference in the affairs of others. This is not a code I come by easily. I believe it takes years of practice or being whipped for opening your mouth inappropriately.

On an odd note, I did witness a free woman being asked to leave a tavern by a warrior. It seemed a comedy of errors. Now I have to decide whether telling you that will cause Gor War 3, or whether my mouth is just flapping in the breeze.

Division 3~~Levels 15 and above with no restriction of improvement points

## # NEWS

Congratulations to our President of the Tharlarion Racers of Gor who recently was able to have great news in his real life. Because of priorities and obligations, wants and desires, OldSavage Allen has stepped down as the President of Tharl Racers of Gor. We wish him all the best in all that he does. Of course, this means that the Council needs to elect a new President and point person. We have no intention of ending the circuit, in fact, we have so much fun at this we all see it continuing for a long time.

I would like to call a meeting of the entire group of racers, riders, and enthusiasts so we can take our temperature and see what we can do to make this group even better, add to the TRG Council, and to elect a new President. I would like to have this meeting before the Tuesday Races at 4 pm slt if that is possible. If you cannot attend, please send Hips Wrigglesworth a notecard with any concerns, if you would like to volunteer to do anything, and any kudos you would like to share with the group.

Finally, i would like to remind everyone that the current Grand Tharlarion Circuit will end at the end of September. Rider stats and updates are posted at our various tracks. Our next race will be at Silvercloud's Stables and Tharlarion Rock Run open 24/7...come by and visit any time.

Ok, that is all for now. See you at the races.□

Hips Wrigglesworth, Tallykeeper

## ## RARE DIALECTS OF GOR

### 11 KAJURAILA

Wir in Turia feiern es am 12. 8. 14 irdischer Zeitrechnung.

Was ist das?

Der Feiertag der Sklaven oder das Fest der Sklaven

Das Datum ist von Stadt zu Stadt unterschiedlich, obwohl viele Städte ihn am letzten Tag der zwölften Übergangs-Hand feiern.

Es ist die wichtigste Zeit für Sklavenhandel.

Sklaven ist es erlaubt freie Personen zu necken und Scherze mit ihnen zu treiben, ohne Angst vor Strafe haben zu müssen.

Ein Sklave sagt „Kajuralia!“ nach einem solchen Streich. Es ähnelt in einigen Aspekten den Aprilscherzen auf der Erde.

Freien Frauen ist es gestattet sich ebefals freizügig zu kleiden ohne Angst haben zu müssen das man sie versklvt.

## 12 [OOO] GOR-ROLLENSPIEL-PARTY

Nun ist es endlich soweit. Wir starten am 20. September 2014 im SM-Club BMH die erste Gor-Rollenspiel-Party. Damit sie für alle ein unvergessliches Erlebnis wird brauchen wir ein paar Regeln um die Rahmenhandlung einhalten zu können.

### Die Grundidee

Wir wollen mit euch gemeinsam nach Gor und einen goreanischen Abend verbringen. Dazu gehört es, das jeder von euch einen Charakter für den Abend ausarbeitet – wir geben auch gerne Hilfe dabei – und ihr an diesem Abend in die Rolle eintaucht und ihr Leben einhaucht. Hierzu gehört auch die passende goreanische Kleidung. Freie Männer sollten ihrer Kaste (bitte nicht nur Hohe Kasten) entsprechend gekleidet sein, ebenso die Freie Frauen, wobei hier auch an den Schleier gedacht werden sollte. In den „privaten“ Räumen besteht jedoch keine Schleierpflicht. Die Kajiri sollten entsprechend ihres Standes an der Kette, bekleidet und „weiße Seide“ sollte gut erkennbar sein.

Bedenkt bitte, das es nicht sehr viele Kajirus auf Gor gibt, die ihre Besitzer auf eine Festlichkeit begleiten.

Aktuelle Informationen immer unter:

### ## LONELY HEARTS

#### # WANT A SOLID BTB DAUGHTER?

I'm looking for BTB southern parents. I'm scribe by caste, and I would prefer to remain as such. I can easily adjust looks to fit in with the family or prior established RP in regards to the child.

My character tends to be semi-para with a realist nature. She knows her place in society and how unwise it would be to evoke the wrath of the men of her family. And at the same time, she knows her rights and will fight for them.

I'm active based on RL time constraints and currently in SLT+3 timezone.

TheNewKassandra Resident

#### # SEEKING A DAUGHTER

My name is Colin (colinohara resident). I am looking for someone to roleplay my daughter Darcy Ohara Boa (A free woman). Her mother and I are no longer together. But my rp family is hideously large so you wont get lonely... Message me to set up an interview if interested

My requirements for the roleplayer ( so you get an idea of what i want) :

1. A person who knows how to make their own rp and friends, and not rely on me for whole of their social life in Gor.

2. I want someone who has had experience in BTB Gor. No pews pews though.
3. You are respectful... and know the meaning of private conversations
4. You will take Darcy's full name, and appearance I have described below. Also meet the personality traits
5. I would prefer you to live where I am now as well.
6. Be whatever caste you want
7. Know that my Darcy is a free woman and knows what it means to act as one..
8. The best rp has ooc friendships
9. I am in the Eastern Standard Time Zone and only speak English, I would like the person who plays Darcy to be in this time zone or near it as well...

Appearance.....I am uncompromising on this. She has red hair and green eyes. Her mother had great curves and stood to my shoulder. I am a tall man myself also of a more average build and slightly tan skin. I would expect the person to rp Darcy to be of a healthy weight and good height.. My daughter will dress modestly.

Personality.....Both her mother and I have tempers and a lot of pride. (Though my temper is worse) Darcy I say would have the same. She has a sense of humor. Her mother was not a weak whiner type (which I can not stand). Most of all I would say she isnt afraid to be herself.

The HoY Companies are currently located in ancred's landing (Vosk region) and in Tharna. The HoY Companies are a member of the true Southern Trade Alliance.

##### # REWARD - DEAD OR ALIVE

A messenger arrived at the HoY headquarters delivering this scroll, sealed and encrypted:

#### 15 CURRENCY EXCHANGE RATES HOY BANK

The base unit of exchange rates are the coins of the city of Tharna.

The gold tarn disk of Ar is considered to be the standard by which other cities, such as Ko-Ro-Ba and Port Kar, set the value of their own coinage. It is worth, generally, 10 silver tarsks, but standardization is slight due to the shaving or splitting of the coin as well as faulty scales that contribute to the debasing of the coinage. ### NEW TO GOR Classes

Gorean Campus presents "NEW TO GOR" series of classes, that run in continuous rotation

Tuesdays @ 10 AM & 6:30 PM

in the Campus Gallery classroom

Classes are a basic introduction to SL Gor for those that are new, and a valuable review for the more experienced.

Although geared toward the Free.. kajiri will find them beneficial & valuable as well.

Gorean Campus is a safe, independent, non-commercial, non-aligned academy.

Cities sending students, have no fear of their citizens being 'recruited'.

Classes cover the (by the books) basics of Gorean behaviour, dress, deportment... and the 3 pillars of Gor, Home Stone, caste system and natural order/slavery.

## ## ABOUT THE NEW VOICE OF GOR

# The NEW VOICE OF GOR is a weekly Gorean newspaper since 2011.

Forerunners were the "Vonda Voice" (since 03-26-2009, issues 1-56, editor Verona Lorgsval), the "Voice of Gor" (since 07-14-2010, issues 1-133, editor Verona Lorgsval), the Ianda Times (since 2011, issues 1-71, editor Rarius Yuroki [Yuroki Uriza])

## # (OOC) FREQUENTLY ASKED QUESTION

Is the NEW VOICE OF GOR OOC or IC?

This newspaper is available IN CHARACTER at message boards in several cities. But it has OOC parts and IC parts which can be identified although many people mix both. We try to keep the two separate. But if you start a storyline based on an IC article of the NEW VOICE OF GOR it would be useful for a moderator to have a log where you have read the message ICly.

The NEW VOICE OF GOR can be true or false, propaganda or journalism like on earth. There is no freedom of the press on Gor. Why let the truth get in the way of a good story?!

"Goreans were not always fooled by posts on boards.  
Those who control the public boards, it is said, control the city.  
But I was not sure of this.  
Goreans are not stupid.  
It is difficult to fool them more than once. They tend to remember."  
(Magicians of Gor)

Why is "publicare et propagare" the motto of the NEW VOICE OF GOR?

You all know that Goreans use message boards to spread news, announcements and gossip. Such are found at various points in Ar, such as the vicinity of squares and plazas, near markets, and on major streets and avenues.

Books are rare on Gor and expensive. Paper is the essential trade good of the Rencers and they sell their wares on both the eastern and western edges of the Delta of the Vosk river. The NEW VOICE OF GOR is a collection of renece paper scrolls but the editor paid some message boards too to spread the newspaper. Gorean Public Boards sometimes made people angry. Those who control the public boards, it is said, control the city.

We took our motto from the Acta Diurna [latin: Daily Acts sometimes translated as Daily Public Records] on earth. The Acta Diurna were daily official notices in ancient Rome, a sort of daily gazette. They were carved on stone or metal and presented in message boards in public places like the Forum of Rome.

Acta Diurna introduced the expression "publicare et propagare", which means "make public and propagate". This expression was set in the end of the texts and proclaimed a release to both Roman citizens and non-citizens.
